Local Option Levy

The THPRD levy would maintain today's park and service levels.

THPRD is facing a \$16 million budget shortfall, representing 21% of the district's annual budget.

The THPRD Board of Directors voted unanimously to place a local option levy before district voters at the May 21, 2024, election. The board followed the recommendation coming from the district's Levy Task Force, which analyzed the district's operational needs and determined a local option levy was needed to maintain THPRD service levels.

A local option levy would:

-  **Ensure weekly garbage collection at parks.** Without a levy service would be reduced to monthly or twice a month at some parks.
-  **Ensure afterschool programming continues.** Without levy support, the district's afterschool program would end.
-  **Ensure public restrooms stay open and cleaned multiple times a week.** Without a levy several outdoor public restrooms would be closed and others will experience reduced cleaning.
-  **Keep pools and splash pads open.** Without a levy, the district would have to close some facilities, including three swimming pools and two splash pads.
-  **Preserve positions in park maintenance and recreation programming to maintain existing service levels.** Funding for the levy would save nearly 50 full time positions and 235 part time positions performing park, trail, and natural area, maintenance and leading recreation classes and programs such as art, sports, and aquatics.
-  **Maintain facility hours and recreation programming.** Without a levy, recreation centers will have to reduce hours of operation, classes and programs would be reduced, and programs such as Mobile Recreation that focus on underserved populations would end.

If approved, the levy would preserve park and recreation services at current levels. The levy would be \$0.50 per \$1,000 assessed value for five years, beginning in 2024. The measure may cause property taxes to increase more than three percent. If approved, the levy would increase taxes on the average home in the district by about \$152.12 per year, or \$12.68 per month. The levy would preserve existing services, improve safety and maintenance in parks, natural areas and trails, and fund a new and easy to use online registration system.

El impuesto del THPRD mantendría los niveles actuales de parques y servicios.

El THPRD se enfrenta a un déficit presupuestario de \$16 millones, lo que representa el 21 % del presupuesto anual del distrito.

La Junta Directiva del THPRD votó por unanimidad para presentar un impuesto de opción local ante los votantes del distrito en las elecciones del 21 de mayo de 2024. La junta siguió la recomendación proveniente del Grupo de Trabajo sobre Impuestos del distrito, que analizó las necesidades operativas del distrito y determinó que se necesitaba un impuesto de opción local para mantener los niveles de servicio del THPRD.

Un impuesto de opción local:

Garantizará a recolección semanal de basura en los parques. Sin un impuesto, el servicio se reduciría a mensual o dos veces al mes en algunos parques.

Garantizará que la programación extraescolar continúe. Sin el apoyo de los impuestos, el programa extracurricular del distrito terminaría.

Garantizará que los baños públicos permanezcan abiertos y limpios varias veces a la semana. Sin un impuesto, varios baños públicos al aire libre estarían cerrados y otros experimentarían una limpieza reducida.

Mantendrá abiertas las piscinas y las áreas de chapoteo. Sin un impuesto, el distrito tendría que cerrar algunas instalaciones, incluyendo tres piscinas y dos áreas de chapoteo.

Preservará puestos en la programación de recreación y mantenimiento de parques para mantener los niveles de servicio existentes. La financiación del impuesto ahorraría casi 50 puestos de tiempo completo y 200 puestos de tiempo parcial que hacen mantenimiento de parques, senderos y áreas naturales y dirigen clases y programas recreativos como arte, deportes y deportes acuáticos.

Mantendrá el horario de los centros y la programación de recreación. Sin un impuesto, los centros de recreación tendrán que reducir las horas de atención, las clases y los programas que se centran en poblaciones desatendidas, como Mobile Recreation, se reducirán y terminarán.

Si se aprueba, el impuesto preservaría los servicios de parques y recreación en los niveles actuales. El impuesto sería de \$0.50 por cada \$1,000 de valor tasado durante cinco años, a partir de 2024. La medida puede causar que los impuestos a la propiedad aumenten más del tres por ciento. Si se aprueba, el impuesto aumentaría los impuestos sobre la vivienda promedio en el distrito en aproximadamente \$152.12 por año, o \$12.68 por mes. El impuesto preservaría los servicios existentes, mejoraría la seguridad y el mantenimiento en parques, áreas naturales y senderos, y financiaría un sistema de registro en línea nuevo y fácil de usar.

Información general de THPRD

¿Estoy dentro del distrito?

¿Vive fuera del distrito?

Se invita a los usuarios que viven fuera del distrito, incluyendo a los huéspedes fuera de la ciudad, a disfrutar de los programas de THPRD eligiendo entre dos opciones de pago:

Pague una prima del 25 % por cada clase, actividad sin inscripción, pase de condición física o programa. Normalmente, las tarifas para personas que viven fuera del distrito (OD) se mencionan en esta guía de actividades. Esta opción no se puede utilizar para alquileres en el centro. *Tenga en cuenta que las personas que no viven dentro del distrito no son elegibles para recibir los descuentos que se les dan a los jóvenes, adultos mayores, familiares de miembros de las fuerzas armadas e invitados con discapacidades físicas o de desarrollo.*

Pague una cuota (actualmente \$103 por trimestre) que permite a todos los miembros del grupo familiar recibir las mismas tarifas que las personas del distrito en todas las clases de THPRD, actividades sin inscripción, pases de condición física y otros programas por una temporada o por todo el año.

Directrices para observar la clase

THPRD invita a los padres/tutores a observar las actividades de clase desde el interior del salón de clases/gimnasio el primer y último día del período. De lo contrario, animamos a los padres/tutores a permanecer fuera del salón de clases/gimnasio para lograr el mejor entorno educativo para los niños. Los programas fuera del lugar exigen que uno de los padres/tutor esté presente en todo momento si el pequeño es menor de 10 años. Si tiene alguna pregunta o preocupación con respecto a estas directrices, no dude en hablar con el instructor o con el coordinador del programa. Gracias por su colaboración y comprensión.

Inclemencias del tiempo

Los programas, clases y actividades que patrocina THPRD pueden retrasarse o cancelarse si las condiciones del clima lo justifican. Para obtener la información más reciente sobre las operaciones del centro recreativo y acuático de THPRD durante las inclemencias del tiempo, llame a nuestra línea directa las 24 horas al 503-614-4018 o visite nuestro sitio web, www.thprd.org. También publicaremos avisos en las redes sociales y daremos información a los medios de comunicación.

Cancelaciones, descuentos y reembolsos

Retrasos, cierres y cambios

Ocasionalmente, los centros estarán cerrados o los horarios cambiarán o se retrasarán debido a eventos especiales o para reponer clases. Hacemos todo lo posible para anunciar cualquier cambio con antelación. Nos esforzamos por dar un centro limpio para que usted lo disfrute y los cierres anuales son necesarios para hacer reparaciones mayores y para limpiar.

Clases llenas o canceladas

Para poder operar, todos los programas requieren un mínimo de personas inscritas y tienen una capacidad máxima de participantes. El distrito se reserva el derecho a cancelar, cambiar o combinar programas. Las clases no se cancelarán durante las de 72 horas antes de la fecha de inicio, excepto en circunstancias extraordinarias. Cuando el distrito cancele o posponga una clase, el cargo total será acreditado a la cuenta de inscripción en THPRD del participante.

A todos nos encanta el fútbol americano. Jugar, entrenar y socializar. Sin embargo, no podríamos jugar ni un solo partido sin árbitros. Hay una falta significativa de oficiales de fútbol americano juvenil. Se necesitan nuevos oficiales cada temporada para poder garantizar que los juegos sucedan y no se pospongan o cancelen. Camp Green provides opportunities to delve into the natural world in which we live. We'll do science-based activities and explore how our daily lives intertwine with the environment. Some camp themes will repeat over the summer; camps with the same theme will have the same content. Bring lunch, drinking water, two snacks, and a backpack daily.

Camp meets and picks up daily at the Tualatin Hills Nature Center but will travel off-site to a local THPRD park most days. Campers must be dropped off by 8:45 am and will be back by 4:00 pm for pick-up. This camp also incorporates local field trips to regional locations.

A \$30 deposit option is available for this camp. See the Camp Deposits and Balances box on page 81 for details.

Water Fitness Programs

Dig Deep: Participants wear flotation belts for a zero impact, moderate intensity workout in the deep end of the pool. It is not necessary to be an avid swimmer to participate; but it is helpful for participants to be comfortable in deep water. This is an exciting, unique way to exercise, suitable for most people. Movement possibilities are almost unlimited when suspended in the water; and people work on aerobic fitness, strength, balance and flexibility.

Aqua Zumba®: A low-impact aquatic exercise that is high in energy but easy on your body. Integrating the Zumba Dance with traditional aquatic fitness disciplines, Aqua Zumba® blends it all together into a workout that is cardio-conditioning, body-toning and, most of all, fun beyond belief!

Cardio Core: This class is held in the shallow end of the pool. Participants challenge themselves with the resistance of the water in the low-impact work-out as they exercise to lively, upbeat music. Participants work on aerobic conditioning, strength, balance and flexibility. At least 35 minutes of the class will be dedicated to pure cardio in a Level 2 class.

Schedule can be found online, <http://www.thprd.org/facilities/aquatics/beaverton>, or by stopping into the center. The schedule is subject to change without notice.

Fitness is back at Sunset Swim Center!

Cardio Core: This class is held in the shallow end of the pool. Participants challenge themselves with the resistance of the water in the low-impact work-out as they exercise to lively, upbeat music. Participants work on aerobic conditioning, strength, balance and flexibility. At least 35 minutes of the class will be dedicated to pure cardio in a Level 2 class.

Class availability subject to change. Fees vary due to number of sessions in each class.

Preschool: Minimum age 3 years and toilet-trained.

Water Fitness Programs

Dig Deep: Participants wear flotation belts for a zero impact, moderate intensity workout in the deep end of the pool. It is not necessary to be an avid swimmer to participate; but it is helpful for participants to be comfortable in deep water. This is an exciting, unique way to exercise, suitable for most people.

Cardio Core: This is a fun, moderate intensity fitness class suitable for most people. The class is held in the shallow end of the pool. Participants challenge themselves with the resistance of the water in the low-impact work-out as they exercise to lively, upbeat music.

Schedule can be found online, <http://www.thprd.org/facilities/aquatics/aquatic-center>, or by stopping into the center. The schedule is subject to change without notice.

Summer Splash

Participants must be between the ages of 5 and 17 and be able to swim 25 yards of crawl stroke and 25 yards of backstroke. While not required to compete, swim meets are held on some Saturdays during the season.

Gymnastics Class Descriptions

Kindergym: (2-3 yrs)

Guided by our gymnastics staff, you and your child will share fun exercise time such as balancing on the beam, swinging on the bars and rolling down our mats. Motor skills and body awareness are developed while having fun. Our teachers will guide the adults on how to direct your child through our obstacle courses. Adult Participation Class; One child/ one adult ratio.

Kinderstars: (2.5-3.5 yrs)

This class is geared toward the gymnasts who are ready to start participating in a slightly more structured environment. Through the use of obstacle courses on the beam, bars and floor exercise mats the children will learn beginning gymnastics skills as well as social skills such as taking turns, and learning to participate in gymnastics class without a lot of assistance from their adult. The adult should expect to stay only close and involved enough for their child to feel safe and comfortable. Adult Participation Class; One child/ one adult ratio.

Preschool Pre-Gymnastics: (3.5-6 yrs)

This is an introduction to gymnastics for preschool-aged children (no gymnastics experience needed). In this class, they will be introduced to all four gymnastics events through fun obstacle courses, and drills. They will focus on beginning gymnastics skills, flexibility, strength and lots of fun! Following directions, listening and line movement will be focused on each week through lesson plans.

Gymnastics Rec Level 1: (6-13 yrs)

This class is the beginning level of gymnastics for school-aged children (no gymnastics experience needed). We introduce the fundamentals of gymnastics such as rolls, handstands and cartwheels on the floor, casting and strength moves on the bars as well as jumping and balancing on the beam. The students will learn all the basic skills used in gymnastics through the use of stations incorporating strength and flexibility activities.

Evaluation Classes

Prior to enrollment in Level 1.5 and Level 2/3 classes, a student must have passed the previous level or be evaluated by our staff to assure placement in the appropriate class. This free, 5-10 minute evaluation will determine which level class is appropriate. The evaluation process ensures that each class member is experiencing success working at the skill level and provides a more positive environment for all. Evaluations can be scheduled through our front office.

Gymnastics Rec Level 1.5: (6-14 yrs)

Gymnast **MUST** pass Gymnastics Level 1 before enrolling and/or have instructor approval by evaluation. We will emphasize one-handed cartwheels, round-offs, bridge kick-overs and many other tumbling progressions on floor. On the bars, we will work pullovers and back hip circles and on the beam, jump combinations, leaps and handstands are introduced. We teach classes using stations and drills that will help with flexibility as well as building core strength to achieve the skills needed to move-up to Level 2.

Gymnastics Rec Level 2/3: (6-14 yrs)

Gymnast **MUST** pass Gymnastics Level 1.5 before enrolling and/or have instructor approval by evaluation. This class works on the bar skills of stride circles and one-leg shoot throughs, underswings and sole circle dismounts. On the beam, work is done on handstands, cartwheels and full turns. On the floor exercise, backbend kick-overs, tictocs, back handspring drills and handstand rolls are introduced. The handstand flat back is taught for vaulting and the level of conditioning and flexibility training is increased.

Youth Drop-In Open Gymnastics

THPRD offers nearly 160 natural areas. The Nature & Trails Department, with the support of the community, serves as the steward of these areas by managing wildlife habitat, native plant communities and the trails that guide you through these natural areas. These sites are important reminders of our natural heritage and provide a variety of benefits, including clean water, wildlife corridors and opportunities to connect with nature.

There are trails to suit every need spread throughout the park district, ranging from paved regional trails that connect to other cities and shopping areas to earthen trails that will help you explore neighborhood natural areas. Trail descriptions and downloadable maps are on our website: <http://www.thprd.org/parks-and-trails/trails/>. Printed maps that cover the entire park district are available for free at all THPRD facilities and select community destinations like libraries.

PREPARING FOR TENNIS CLASS

Shoes: Only Tennis Shoes with proper support should be worn. They are built with side-to-side movement in mind and offer more lateral stability.

For your safety, no running shoes, cleated shoes, boots, sandals/open-toed shoes, heels, flats or other street shoes are allowed on the Tennis court.

Why use low-compression balls? They bounce lower and slower which is perfect for teaching students of varying heights and skill levels.

Verify Residency

During your visit to open a new THPRD account or for accounts created online (before your first scheduled class or league, or after no more than five drop-in activities), please bring the following:

- Any government-issued photo ID that includes your current address (for example, an Oregon Driver's license, Oregon Identification Card, Consular Identification Card).

Why do we verify your address?

People who own property or reside within THPRD's boundaries support our services through property taxes and are eligible for benefits that include early registration and lower program costs.

Not a resident?

You are still welcome to enjoy every program and activity the district has to offer, follow the instructions above to create a THPRD account, no residency verification required. Two options are available to patrons who live outside of THPRD's service area.

1. Pay a yearly or quarterly assessment
2. Pay a 25% per-class premium

To learn more about these options, visit thprd.org/activities/am-i-in-district

General Information

Am I in-district?

Live out of district?

Patrons outside the district, including out-of-town guests, are invited to enjoy THPRD programs by choosing between two payment options:

Pay a 25% premium for each class, drop-in activity, fitness pass or program. Typically, out-of-district (OD) rates are listed in this activities guide. This option may not be used for facility rentals. *Please note that out-of-district patrons are ineligible to receive discounts provided to in-district youth, seniors, military families and guests with physical or developmental disabilities.*

OR

Pay an assessment fee (currently \$103 per quarter) that allows all household members to receive in-district rates on all THPRD classes, drop-in activities, fitness passes and other programs for any single term or an entire year.

Out-of-district registration dates:

Summer registration at 8am on Monday, April 15.

Class Observation Guidelines

THPRD invites parents/guardians to observe class activities from inside the classroom/gymnasium on the first and last days of the term. Otherwise, we encourage parents/guardians to remain outside the classroom/gymnasium for the best instructional environment for the children. Off-site programs require a parent/guardian to be present at all times if the child is younger than 10 years of age. If you have any questions or concerns regarding these guidelines, please feel free to speak to the instructor or program coordinator. Thank you for your cooperation and understanding.

Inclement Weather

THPRD programs, classes and sponsored activities may be delayed or canceled if weather conditions warrant. For the latest information on THPRD aquatic and recreation center operations during inclement weather, sign up for text alerts by texting "join" to 833-340-0174 to subscribe. We will also post notices on www.thprd.org, social media and provide info to news media.

Dressing Rooms

It is requested that all individuals age 6 and over use the locker room that is most aligned with their affirmed gender. Please check with front desk staff if you have any questions.

Showers

If you use a THPRD shower but do not participate in a paid activity, a \$3 fee will be charged.

Cancellations, Discounts and Refunds

Delays, Closures and Changes

Occasionally centers will be closed or schedules changed or delayed due to special events or make-up classes. We make every effort to announce any change in advance. We strive to provide a clean facility for your enjoyment, and annual closures are required for major repairs and cleaning.

Full or Canceled Classes

All programs operate with a minimum enrollment requirement and maximum enrollment capacities. The district reserves the right to cancel, change or combine programs. Classes will not be canceled within 72 hours of the start date except in extraordinary circumstances. When the district cancels or postpones a class, the total fee will be credited to the participant's THPRD registration account.

Waiting Lists

Once a class is filled, a waiting list will be created. Note: Even if an additional class is created, it may not be at the same time or day as the waiting list class.

Refunds

THPRD's policy is to refund monies collected for services, in a timely manner, whether initiated by the district or the participant.

If a longer refund request period is necessary, it will be noted in the class description and activities guide and on the patron invoice. No credit will be applied to the participant's THPRD registration account with less than the required notice.

For a complete copy of the THPRD cancellation and refund policy, please visit www.thprd.org.

Classes

Requests to drop or change a class must be made five days prior to the first day of class to receive a full refund minus any applicable fees. Requests made within five days up to the start date will be refunded on a THPRD gift card.

After a patron's second cancellation in a term, a cancellation fee of \$10 will be charged if canceled five days before, and \$20 if within five days.

Camps

Requests to drop or change a camp registration must be made at least 14 days prior to the start of the camp to receive a full refund minus

deposit. An approved request will be refunded on a THPRD gift card. A deposit of \$30 per week will be charged for camps. Camp deposits are nonrefundable and nontransferable.

Tennis Courts

Requests to drop or change a reservation for a tennis court must be made two days prior to the reservation for a full refund.

Discounts

Discounts are available to **in-district** patrons only.

A patron representing multiple protected classes – for example, a 65-year-old military veteran – would not be eligible for multiple discounts.

Senior and Youth Discounts

A 10% discount is available at all THPRD facilities for **in-district** patrons 65 years and older, except at the Stuhr Center, where a discount is already included in the price. Youth discounts apply to daily admissions and passes (no discounts on classes) to children between the ages of 1 and 17. The youth discount rate is the same as the senior discount rate.

Military Discount

All **in-district** individuals and their dependents (with government-issued identification/documents) who are currently serving or have served (active duty, National Guard, Reserves, veterans and retirees) in the U.S. military (Army, Navy, Air Force, Marines and Coast Guard) will receive a 10% discount on qualifying programs and services.

When Discounts Do Not Apply

No discounts are available for non-subsidized district activities. These include but are not limited to private lessons, facility rentals, trips, childcare, concessions, merchandise and special events.

Please note: Gift card purchases are nonrefundable. The only exception is for balances less than \$5. Patrons who qualify for this exception must request the refund.

Equity & Inclusion Statement

We acknowledge that all U.S. government agencies have roots stemming from systemic racism and oppression, including THPRD.

We seek to hold ourselves accountable for our role in perpetuating these systems and are committed to taking action to create meaningful change.

We aspire to bring people together, to be a welcoming and inclusive park & recreation district, and to live our values of advancing social and racial equity.
