## **Water Fitness Programs**

**Dig Deep:** Participants wear flotation belts for a zero impact, moderate intensity workout in the deep end of the pool. It is not necessary to be an avid swimmer to participate; but it is helpful for participants to be comfortable in deep water. This is an exciting, unique way to exercise, suitable for most people. Movement possibilities are almost unlimited when suspended in the water; and people work on aerobic fitness, strength, balance and flexibility.

Cardio Core: The class is held in the shallow end of the pool. Participants challenge themselves with the resistance of the water in the low-impact work-out as they exercise to lively, upbeat music. Participants work on aerobic conditioning, strength, balance and flexibility. At least 35 minutes of the class will be dedicated to pure cardio in Level 2 class.

#### Jr. Lifeguard Camp

Junior Lifeguard Camp focuses on developing swimming skills to help participants meet the American Red Cross Lifeguard Training course prerequisite and improve stroke technique. The camp introduces participants to lifesaving skills, including in-water rescues, use of a rescue tube, and first aid, CPR, and AED skills (no certifications). Participants will shadow lifeguards in rotation to get a real sense of being on the job. Camp will also include training to aid in swimming lessons and, of course, water games. If you're looking for a fun, hands-on camp, this is the one! (Level 4+)

Dig Deep: Participants wear flotation belts for a zero impact, moderate intensity workout in the deep end of the pool. It is not necessary to be an avid swimmer to participate; but it is helpful for participants to be comfortable in deep water. This is an exciting, unique way to exercise, suitable for most people.

Cardio Core: This is a fun, moderate intensity fitness class suitable for most people. The class is held in the shallow end of the pool. Participants challenge themselves with the resistance of the water in the low-impact work-out as they exercise to lively, upbeat music.

Schedule can be found online, <a href="http://www.thprd.org/facilities/aquatics/aquatic-center">http://www.thprd.org/facilities/aquatics/aquatic-center</a>, or by stopping into the center. The schedule is subject to change without notice.

**Cardio Core:** Shallow water exercise class focusing on cardiovascular conditioning, muscle fitness, and range-of-motion. For those looking to improve fitness by adding a low-impact, high-energy aquatic exercise.

Ai Chi: Improve balance and strength while reducing stress with this low impact flow in shallow water. Ai Chi combines breath with movement that enhances memory, balance, flexibility, mobility and coordination.

**Greg Creager**Nature & Trails Supervisor

THPRD offers nearly 160 natural areas. The Nature & Trails Department, with the support of the community, serves as the steward of these areas by managing wildlife habitat, native plant communities and the trails that guide you through these natural areas. These sites are important reminders of our natural heritage and provide a variety of benefits, including clean water, wildlife corridors and opportunities to connect with nature.

There are trails to suit every need spread throughout the park district, ranging from paved regional trails that connect to other cities and shopping areas to earthen trails that will help you explore neighborhood natural areas. Trail descriptions and downloadable maps are on our website: http://www.thprd.org/parks-and-trails/trails/.

### Visit Cooper Mountain Nature Park

18892 SW Kemmer Rd., Beaverton, OR 97007

Overlooking the Tualatin River Valley, Cooper Mountain Nature Park is located on the edge of Beaverton. This 230-acre park offers visitors 3½ miles of trails traversing the park and passing through each of its distinct habitats, from conifer forest to prairies and oak woodlands. Visitors are rewarded with grand views of the Chehalem Mountains, close-up looks at Oregon white oaks and a small prairie that has sat relatively undisturbed for hundreds of years. The park also features a nature play area for children.

Metro and THPRD work in partnership to manage Cooper Mountain Nature Park. Together the two agencies continue habitat restoration and wildlife monitoring, maintain hiking trails and the Nature House and provide environmental education programs to visitors of all ages.

Both nature parks are open dawn to dusk. For the protection of wildlife, pets, including dogs, are not allowed at either park. Patrons must remain on trails to avoid poison oak and protect wildlife.

## PREPARING FOR YOUR TENNIS CLASS

**Shoes:** Only Tennis Shoes with proper support should be worn. They are built with side-to-side movement in mind and offer more lateral stability.

For your safety, no running shoes, cleated shoes, boots, sandals/open-toed shoes, heels, flats or other street shoes are allowed on the Tennis court.

Why use low-compression balls? They bounce lower and slower which is perfect for teaching students of varying heights and skill levels.

# **General Information**

## Am I in-district?

## Live out of district?

Patrons outside the district, including out-of-town guests, are invited to enjoy THPRD programs by choosing between two payment options:

Pay a 25% premium for each class, drop-in activity, fitness pass or program. Typically, out-of-district (OD) rates are listed in this activities guide. This option may not be used for facility rentals. Please note that out-of-district patrons are ineligible to receive discounts provided to in-district youth, seniors, military families and guests with physical or developmental disabilities.

#### OR

Pay an assessment fee (currently \$142.50 per quarter) that allows all household members to receive in-district rates on all THPRD classes, drop-in activities, fitness passes and other programs for any single term or an entire year.

Out-of-district registration dates: Summer registration at 8am on Monday, April 14.

## **Class Observation Guidelines**

THPRD invites parents/guardians to observe class activities from inside the classroom/gymnasium on the first and last days of the term. Otherwise, we encourage parents/guardians to remain outside the classroom/gymnasium for the best instructional environment for the children. Off-site programs require a parent/guardian to be present at all times if the child is younger than 10 years of age. If you have any questions or concerns regarding these guidelines, please feel free to speak to the instructor or program coordinator. Thank you for your cooperation and understanding.

### Inclement Weather

THPRD programs, classes and sponsored activities may be delayed or canceled if weather conditions warrant. For the latest information on THPRD aquatic and recreation center operations during inclement weather, sign up for text alerts by texting "join" to 833-340-0174 to subscribe. We will also post notices on www. thprd.org, social media and provide info to news media.

If you use a THPRD shower but do not participate in a paid activity, a \$3 fee will be charged.

## Cancellations, Discounts and Refunds

## Delays, Closures and Changes

Occasionally centers will be closed or schedules changed or delayed due to special events or makeup classes. We make every effort to announce any change in advance. We strive to provide a clean facility for your enjoyment, and annual closures are required for major repairs and cleaning.

## **Full or Canceled Classes**

All programs operate with a minimum enrollment requirement and maximum enrollment capacities. The district reserves the right to cancel, change or combine programs. Classes will not be canceled within 72 hours of the start date except in extraordinary circumstances. When the district cancels or postpones a class, the total fee will be credited to the participant's THPRD registration account.

## **Waiting Lists**

Once a class is filled, a waiting list will be created. Note: Even if an additional class is created, it may not be at the same time or day as the waiting list class.

## Refunds

THPRD's policy is to refund monies collected for services, in a timely manner, whether initiated by the district or the participant.

If a longer refund request period is necessary, it will be noted in the class description and activities guide and on the patron invoice. No credit will be applied to the participant's THPRD registration account with less than the required notice.

For a complete copy of the THPRD

cancellation and refund policy,

please visit www.thprd.org.

#### Classes

Requests to drop or change a class must be made five days prior to the first day of class to receive a full refund minus any applicable fees. Requests made within five days up to the start date will be refunded on a THRPD gift card.

After a patron's second cancellation in a term, a cancellation fee of \$10 will be charged if canceled five days before, and \$20 if within five days.

#### Camps

Requests to drop or change a camp registration must be made at least 14 days prior to the start of the camp to receive a full refund minus deposit. An approved request will be refunded on a THPRD gift card. A deposit of \$30 per week will be charged for camps. Camp deposits are nonrefundable and nontransferable.

#### **Tennis Courts**

Requests to drop or change a reservation for a tennis court must be made two days prior to the reservation for a full refund.

#### Discounts

Discounts are available to **in-district** patrons only.

A patron representing multiple protected classes – for example, a 65-year-old military veteran – would not be eligible for multiple discounts.

## **Senior and Youth Discounts**

A 10% discount is available at all THPRD facilities for **in-district** patrons 65 years and older, except at the Stuhr Center, where a discount is already included in the price. Youth discounts apply to daily admissions and passes (no discounts on classes) to children between the ages of 1 and 17. The youth discount rate is the same as the senior discount rate.

## Military Discount

All in-district individuals and their dependents (with government-issued identification/documents) who are currently serving or have served (active duty, National Guard, Reserves, veterans and retirees) in the U.S. military (Army, Navy, Air Force, Marines and Coast Guard) will receive a 10% discount on qualifying programs and services.

## When Discounts Do Not Apply

No discounts are available for non-subsidized district activities. These include but are not limited to private lessons, facility rentals, trips, childcare, concessions, merchandise and special events.

### **Passes**

Deluxe and general passes are nonrefundable and non-transferable. No refunts given for deluxe or general passes.

Please note: Gift card purchases are nonrefundable. The only exception is for balances less than \$5. Patrons who qualify for this exception must request the refund.

# Información general de THPRD

## ¿Vive fuera del distrito?

Se invita a los usuarios que viven fuera del distrito, incluyendo a los huéspedes fuera de la ciudad, a disfrutar de los programas de THPRD eligiendo entre dos opciones de pago:

Normalmente, las tarifas para personas que viven fuera del distrito (OD) se mencionan en esta guía de actividades. Esta opción no se puede utilizar para alquileres en el centro. De lo contrario, animamos a los padres/tutores a permanecer fuera del salón de clases/gimnasio para lograr el mejor entorno educativo para los niños. Los programas fuera del lugar exigen que uno de los padres/tutor esté presente en todo momento si el pequeño es menor de 10 años. Si tiene alguna pregunta o preocupación con respecto a estas directrices, no dude en hablar con el instructor o con el coordinador del programa. Gracias por su colaboración y comprensión.

## Inclemencias del tiempo

Los programas, clases y actividades que patrocina THPRD pueden retrasarse o cancelarse si las condiciones del clima lo justifican.
Para obtener la información más reciente sobre las operaciones del centro recreativo y acuático de THPRD durante las inclemencias del tiempo, llame a nuestra línea directa las 24 horas al 503-614-4018 o visite nuestro sitio web, www.thprd.org. La misión de Tualatin Hills Park & Recreation District es proporcionar instalaciones de parques y recreación, programas, servicios y áreas naturales de alta calidad que satisfagan las necesidades de las diversas comunidades a las que sirve.

## Declaración de la visión

Mejoraremos los estilos de vida saludables y activos mientras que conectamos a más personas con la naturaleza, los parques y los programas. Lo haremos mediante la administración de los recursos públicos y proporcionando programas/espacios que satisfagan las necesidades no cubiertas.

# Declaración de equidad e inclusión

Reconocemos que todas las agencias gubernamentales de los Estados Unidos tienen sus raíces en el racismo y la opresión sistémicos, incluyendo THPRD.

Queremos responsabilizarnos de nuestro papel en la perpetuación de estos sistemas y nos comprometemos a tomar medidas para crear un cambio significativo.

Nos esforzamos a unir a la gente, a ser un distrito de parques y recreación acogedor e inclusivo, y a vivir nuestros valores de fomento de la equidad social y racial.
