

Board of Directors Regular Meeting September 15, 2008

6:00 p.m. Executive Session; 7:00 p.m. Regular Meeting HMT Recreation Complex, Peg Ogilbee Dryland Meeting Room 15707 SW Walker Road, Beaverton

AGENDA

6:00 PM 1. Executive Session* A. Legal B. Land 7:00 PM 2. Call Regular Meeting to Order 7:05 PM 3. Action Resulting from Executive Session 7:10 PM 4. Presentations A. Government Finance Officers Association Certificate of Achievement for Excellence in Financial Reporting Award B. Oregon State Federation of Garden Clubs 7:30 PM 5. Audience Time** 7:35 PM 6. Board Time 7:40 PM 7. Consent Agenda*** A. Approve: August 4, 2008 Regular Meeting B. Approve: Monthly Bills C. Approve: Monthly Financial Statement D. Appoint: Jenkins Estate Advisory Committee Member E. Approve: Cooperative Agreement for Partners for a Sustainable Washington **County Community** F. Approve: Resolution Authorizing Transfer of Metro Local Share Funds 8. Unfinished Business 7:45 PM A. Appoint: Audit Committee west side since 1955.

*Executive Session: Executive Sessions are permitted under the authority of ORS 192.660. Copies of the statute are available at the offices of Tualatin Hills Park and Recreation District. ** Audience Time: If you wish to be heard on an item not on the agenda you may be heard under Audience Time with a 3-minute time limit. If you wish to speak on an agenda item, please wait until it is before the Board. Note: Agenda items may not be considered in the order listed. ***Consent Agenda: Consent Agenda items will be approved without discussion unless there is a request to discuss a particular consent agenda item. The issue separately discussed will be voted on separately. In compliance with the American with Disabilities Act (ADA), this material, in an alternate format, or special accommodations for the meeting, will be made available by calling 503-645-6433 at least two business days prior to the meeting.

9. Adjourn

8:00 PM

B. Information: General Manager's Report

MEMO

DATE: September 8, 2008 **TO:** The Board of Directors

FROM: Doug Menke, General Manager

RE: <u>Information Regarding the September 15, 2008 Board of Directors Meeting</u>

Agenda Item #4 – Presentations

A. Government Finance Officers Association Certificate of Achievement for Excellence in Financial Reporting Award

Attached please find a memo from Keith Hobson, Director of Business & Facilities, reporting that Marc Gonzales, Oregon Municipal Finance Officers Association Director and Past President, will be in attendance at your meeting to present the Certificate of Achievement for Excellence in Financial Reporting from the Government Finance Officers Association for the FY 2006/07 Comprehensive Annual Financial Report. The Certificate of Achievement is presented to those government units whose annual financial reports are judged to adhere to program standards and represents the award in government financial reporting. This is the third year in a row that the Park District has received this recognition.

B. Oregon State Federation of Garden Clubs

Attached please find a memo from Jim McElhinny, Director of Park & Recreational Service, reporting that Marcia Whitelock, President of the Oregon State Federation of Garden Clubs, will be in attendance at your meeting to present the Oregon State Federation of Garden Clubs Garden of Distinction Award in honor of the Jenkins Estate. This award is not given annually and is awarded only when a garden has consistently met the qualifications required to become a "garden of distinction".

Agenda Item #7 – Consent Agenda

Attached please find Consent Agenda items #7A-F for your review and approval.

Action Requested: Approve Consent Agenda Items #7A-F as submitted:

- A. Approve: Minutes of August 4, 2008 Regular Meeting
- **B.** Approve: Monthly Bills
- C. Approve: Monthly Financial Statement
- D. Appoint: Jenkins Estate Advisory Committee Member
- E. Approve: Cooperative Agreement for Partners for a
 - **Sustainable Washington County Community**
- F. Approve: Resolution Authorizing Transfer of Metro Local Share Funds

Agenda Item #8 – Unfinished Business

A. Audit Committee

Attached please find a memo from Keith Hobson, Director of Business & Facilities, requesting Board of Directors approval of two Committee member appointments to the newly formed Audit Committee. The Audit Committee was authorized by resolution at the April 7, 2008 Board of Directors meeting, and requires the appointment of three members. The Committee is drawn from the Board of Directors (1), the District Budget Committee (1), and the general public (1) for an appointment lasting two years, with staggered terms. Keith will be at your meeting to answer any questions the Board may have.

Action Requested: Board of Directors approval to appoint Elisabeth Zeller,

District Budget Committee member (two year term), and Kathleen Leader, general public representative (one year

term), to serve on the District Audit Committee.

B. General Manager's Report

Attached please find the General Manager's Report for the September 15, 2008 Regular Board Meeting.

Other Packet Enclosures

- Management Report to the Board
- Monthly Capital Report

- System Development Charge Report
- Newspaper Articles

MEMO

DATE:

August 19, 2008

TO:

Doug Menke, General Manager

FROM:

Keith Hobson, Director of Business & Facilities

RE:

Government Finance Officers Association Certificate of Achievement for

Excellence in Financial Reporting Award

The Tualatin Hills Park & Recreation District's Finance Department/Business & Facilities Division has received the Certificate of Achievement for Excellence in Financial Reporting from the Government Finance Officers Association (GFOA) for the FY 2006/07 Comprehensive Annual Financial Report. Marc Gonzales, Oregon Municipal Finance Officers Association (OMFOA) Director and Past President, will be in attendance at your meeting to present the award to the Park District.

The Certificate of Achievement is presented to those government units whose annual financial reports are judged to adhere to program standards and represents the award in government financial reporting.

This is the third year in a row that the Park District has received this recognition.

MEMO

DATE:

August 22, 2008

TO:

Doug Menke, General Manager

FROM:

Jim McElhinny, Director of Park & Recreational Services

RE:

Oregon State Federation of Garden Clubs

The Jenkins Estate was honored this June when it received the Oregon State Federation of Garden Clubs Garden of Distinction Award. This award is not given annually, and is awarded only when a garden has consistently met the qualifications required to become a "garden of distinction".

Marcia Whitelock, President of the Oregon State Federation of Garden Clubs, nominated the Jenkins Estate for this award, and will be present at the September 15, 2008 Board of Directors meeting.

Jim MacDonald, Jenkins Estate Gardener, Lynda Myers, Jenkins Estate Center Supervisor, and Jan Regnier, Jenkins Estate Advisory Committee Chairperson will be present to be recognized for this award.

It is particularly gratifying to see Jim MacDonald recognized for his vision and passion in developing the Jenkins Estate gardens into the showpiece that they are today.

Tualatin Hills Park and Recreation District Minutes of a Regular Meeting of the Board of Directors

A Regular Meeting of the Tualatin Hills Park and Recreation District Board of Directors was held at the HMT Recreation Complex, Peg Ogilbee Dryland Training Center, 15707 SW Walker Road, Beaverton, on Monday, August 4, 2008. Executive Session 6:00 p.m.; Regular Meeting 7:00 p.m.

Present:

Larry Pelatt President/Director
Bob Scott Secretary/Director

William Kanable Secretary Pro-Tempore/Director

Joseph Blowers Director
John Griffiths Director

Doug Menke General Manager

Agenda Item #1 - Executive Session (A) Legal (B) Land

President, Larry Pelatt, called Executive Session to order for the following purposes:

- To consult with counsel concerning the legal rights and duties of a public body with regard to current litigation or litigation likely to be filed, and
- To conduct deliberations with persons designated by the governing body to negotiate real property transactions.

The Executive Session is held pursuant to ORS 192.660(2), which allows the Board to meet in Executive Session to discuss the aforementioned legal and land issues.

President, Larry Pelatt, noted that representatives of the news media and designated staff may attend the Executive Session. All other members of the audience are asked to leave the room. Representatives of the news media are specifically directed not to disclose information discussed during the Executive Session. No final action or final decision may be made in Executive Session. At the end of the Executive Session, the Board will return to open session and welcome the audience back into the room.

Agenda Item #2 - Call Regular Meeting to Order

President, Larry Pelatt, called the Regular Meeting to order at 7:05 p.m.

Agenda Item #3 - Action Resulting from Executive Session

There was no action resulting from Executive Session.

Agenda Item #4 – Audience Time

There was no testimony during Audience Time.

Agenda Item #5 – Board Time

President, Larry Pelatt, commented that this agenda item will now be addressed at the beginning of each meeting in order to allow for increased public awareness of the topics discussed during Board Time.

Bob Scott referenced the Management Report within the Board of Directors information packet and asked whether the new promotional tools used this year for Party in the Park resulted in increased attendance of the event.

✓ Bob Wayt, Director of Communications & Development, described the promotional tools used, which included television and radio advertisements, and noted that the overall attendance, although difficult to pinpoint, was at least the same as, or slightly higher, than last year.

Bob Scott referenced the Management Report again and asked whether the grant received for creating a trails map will cover the cost of producing the map.

✓ Doug Menke, General Manager, replied that the grant was distributed by the Washington County Visitors Association as a result of the increase in the lodging tax, noting that additional information will be provided to the Board on the overall cost of the map.

Bill Kanable commented that it is nice to see the Fanno Creek re-meandering project progress with minimal disruptions to Greenway Park users.

John Griffiths asked whether the Park District will be represented at the upcoming National Recreation & Park Association annual conference.

✓ Doug confirmed this.

John stated that he would like to attend as well.

Agenda Item #6 – Consent Agenda

Bill Kanable moved the Board of Directors approve Consent Agenda items (A) Minutes of June 23, 2008 Regular Meeting, (B) Monthly Bills, (C) Monthly Financial Statement, (D) Cedar Hills Recreation Center Advisory Committee Member, and (E) Resolution Authorizing the Use of an Energy Savings Performance Contract. Joe Blowers seconded the motion. Roll call proceeded as follows:

John Griffiths Yes
Bob Scott Yes
Joe Blowers Yes
Bill Kanable Yes
Larry Pelatt Yes

The motion was UNANIMOUSLY APPROVED.

Agenda Item #7 – Unfinished Business

A. Future Funding Measure

Doug Menke, General Manager, noted that based on the action by the Board of Directors at the June 23, 2008 Regular Board meeting finalizing the bond measure package and directing staff to work with Park District legal counsel and The Trust for Public Land to finalize the legal requirements necessary to file for the election, a resolution is before the Board for consideration that would take the final steps in placing the bond measure on the November 4, 2008 ballot. The resolution contains all of the legal requirements as outlined by the Washington County Elections Office, including the measure's caption, question, summary and explanatory statement. All of these items were reviewed by Park District legal counsel, bond counsel, and The Trust for Public Land. Doug noted that the action requested of the Board this evening is approval of the resolution calling for an election in the Tualatin Hills Park and Recreation District on November 4, 2008 to submit a General Obligation Bonded Indebtedness Measure to District voters.

President, Larry Pelatt, opened the floor for public testimony.

Barbara Wilson, 12820 SW 20th Court, Beaverton, is before the Board of Directors this evening as a resident of the Park District for the past 47 years and a dedicated conservationist. She stated that she has experience with past Park District bond measures and is of the opinion that the Park District's opportunities for conservation have not been adequately exercised. She stated that a few weeks ago she met with Park District staff to determine whether the Park District complied with the promises of the 1994 bond measure and that Doug Menke, General Manager, confirmed that it had not. She believes that when a bond package is presented to the public to vote on, that the package presented serves as a contract should the measure pass, which did not happen with the 1994 bond measure, especially within the area of natural resources. She asked what guarantee is being offered that the \$12 million proposed for natural areas within the upcoming bond measure package would be the actual amount spent. She described that while the 1994 bond measure funds were being expended, she came before the Board of Directors and Budget Committee for confirmation that project cost overruns would not effect the funds set aside for land acquisition and she received that assurance. She asked what the Board's commitment is to accomplishing what is being promised through the 2004 bond measure.

- ✓ John Griffiths commented that the current bond measure does not contain facilities that would result in large cost overruns such as the 1994 bond measure did. No current Board members were serving on the Board during the time of the 1994 bond measure, so they are not familiar with how the cost overruns were handled. In addition, the current bond measure would have a Citizen Oversight Committee, unlike the 1994 measure. John asked Barbara to serve on the Committee, noting that she would be able to see exactly how the funds are being allocated and could provide reports back to the Board relative to whether the promises of the bond measure are being fulfilled.
- ✓ Larry replied that regarding the Board's level of commitment, the Board has attempted to put together a bond package that makes sense, is good for the Park District, and can be supported. Although the Board cannot be 100% sure that each item will cost exactly the amount listed, the Board is committed that all of the projects with dedicated funds within the bond measure will happen.
- ✓ Bill Kanable stated that his background is in sports and that he originally had no interest in parks, trails, or natural areas, but has learned that he needs to take a different, more balanced, perspective. He noted that the current bond package provides a balance of projects in order to be widely appealing. He commented that people like Barbara are needed to serve on the Citizen Oversight Committee because all projects come with some uncertainty as to how much they will cost in the end.

Barbara replied that she would be happy to serve on the Committee; however, she is concerned that such a committee could turn into a situation of "the fox guarding the hen house".

- ✓ Larry stated that he would expect her to report such concerns to the Board if that were occurring.
- ✓ Bill replied that the Board desires the oversight that a committee could bring, but that it can only come through valid participation on the Committee.
- ✓ John noted that he expects the Committee to consist of members who have interests in specific parts of the bond measure, such as trails, community centers, seniors, athletic facilities, natural areas, etc. He noted that each of those members will want to see their areas of interest fulfilled and that this should help eliminate the fear of the Committee becoming "the fox guarding the hen house".

✓ Larry expressed that the Park District wants a full citizen audit of the bond measure in order to provide accountability, as well as promote the trust for a future bond measure.

Joe Blowers asked whether the Committee members' terms would run with the life of the bond.

✓ Doug Menke, General Manager, replied that in general, the life of the bond would be a minimum of three to five years, especially when dealing with land acquisition. He believes it would be possible to develop a successful format for the Committee by borrowing material from Metro, who has had similar committees for past bond measures.

Bill expressed the need for the Board and public to understand upfront that compromises to the original bond package would be addressed in a way that everyone would understand why such a change needs to be made and that it would be good for the overall community.

✓ Larry stated that changes would be made publicly with participation via the Committee.

Doug Menke, General Manager, referenced Barbara's comments regarding her meeting with Hal Bergsma, Director of Planning, and himself specific to the 1994 bond measure. He stated that there were no funding categories within the 1994 bond measure that were underfunded. There were significant challenges in land acquisition, due in part to the base cost per acre being offmarket significantly, which challenged the overall number of acres acquired in the end. However, no project area was underfunded.

- ✓ Larry confirmed that the appropriate amount of funds were allocated, but the Park District was unable to purchase as many acres as originally anticipated.
- ✓ Bill commented that these are the types of challenges the Park District may face again with the upcoming bond measure.

John asked whether there were cost overruns for the Athletic Center project.

✓ Doug replied that there were cost overruns on a number of projects and that General Funds were used to mitigate the overruns, along with leveraging Metro funds and a variety of other activities. There were several projects that did not receive amenities that were originally planned.

Wendy Kroger, 12030 SW Settler Way, Beaverton, is before the Board of Directors this evening in support of the bond measure. She currently serves as Chair of the Trails Advisory Committee and also served on the Bond Measure Task Force and she is excited that the bond measure is moving forward. As a member of the Task Force, she is excited about the overall balance and variety of projects proposed for the bond measure, although she is particularly excited about the projects for trails, natural areas and parks, as these projects would address so many users' needs. She is looking forward to a win for the community in November.

Spence Benfield, 11819 SW Lanewood, Portland, is before the Board of Directors this evening in support of the bond measure. He served as Chair of the Bond Measure Task Force and noted that the Task Force took into account a lot of information, including public testimony and survey results. He believes the bond package forwarded to the Board for consideration is representative of what the Task Force believes the public is interested in. He referenced the previous testimony regarding the 1994 bond measure and urged that the Board be the ultimate oversight committee. He noted that although there will be a Citizen Oversight Committee, the Board is also accountable and that can be dealt with through the elections process. He commented that Park District staff is capable of managing the bond projects and he encourages the Board of Directors to move forward with the bond measure.

President, Larry Pelatt, opened the floor for Board discussion regarding the resolution.

✓ Hearing none, Larry noted that he would entertain a motion.

Bob Scott moved the Board of Directors approve the resolution calling for an election in the Tualatin Hills Park and Recreation District on November 4, 2008 to submit a General Obligation Bonded Indebtedness Measure to District voters. Bill Kanable seconded the motion. Roll call proceeded as follows:

Joe Blowers Yes
John Griffiths Yes
Bill Kanable Yes
Bob Scott Yes
Larry Pelatt Yes

The motion was UNANIMOUSLY APPROVED.

B. Urbanization Forum Position Paper

Hal Bergsma, Director of Planning, provided a detailed overview of the memo included within the Board of Directors information packet, noting that leaders of the cities and service districts within Washington County joined with Washington County leadership to form an Urbanization Forum in April 2008. The Forum sets the stage for a public dialogue about how communities in Washington County will handle dramatic growth in population and will focus on the best way to provide and finance urban services in unincorporated, but developing areas of the county, and the best choices for extending urban services to undeveloped areas (urban reserves) outside of the cities but on the edge of Metro's Urban Growth Boundary (UGB). Staff has drafted an Urbanization Forum Position Paper intended to contribute to this dialogue by succinctly stating the Park District's view of the present urban service situation in Washington County and suggesting steps that could be taken to resolve issues related to long-term urban service provision in Washington County. Hal noted that the action requested of the Board of Directors this evening is authorization to submit the Urbanization Forum Position Paper on behalf of the Park District to Urbanization Forum participants in advance of the next public meeting in September.

Bob Scott noted that while the concept looks good on paper and puts the Park District in the position to help with population growth in Washington County, what is staff's opinion as to the power to really drive some of the direction that the Park District wants to have.

✓ Doug noted that Park District legal counsel, Pam Beery, represents several of the agencies involved in the Forum and has been retained by the Steering Committee to help understand the legal issues in moving forward. It is a complex issue, but by voicing the Park District's opinion, there is an appreciation for what special districts provide and how we work with cities and that we are an ingredient in the solution of how communities are formed and developed and able to survive into the future. Doug stated that he believes that more than anything this provides a voice from the special districts specific to our concerns. The Park District's concerns are somewhat unique amongst special districts due to the way our boundaries are formed, as well as our issues with island areas. At this point, future annexations are very challenged so some of the resolution that has to come forth based on legal recommendations that Pam and her peers will make will more than likely end up at the legislature. The hope is that a package would be reviewed in Salem and that the outcome would enable all agencies to resolve their issues. What we have tried to drive home is that this is about services to residents, not a power play for property or taxes.

Page 5 - Minutes: Regular Meeting of the Board of Directors, August 4, 2008

Joe Blowers noted that much of the Forum discussion has been dominated to some extent by a few participants centered around the issue of cities. The Position Paper does a good job of stating that perhaps the issue needs to be looked at differently.

John Griffiths asked if any other entities have issued position papers.

✓ Pam Beery, Park District legal counsel, replied that she is not aware of any other official position papers and stated that she believes that the timing of the Park District's paper is good. She noted that having worked with Washington County in a lot of capacities for the last 28 years, the Forum is an unprecedented effort and credit should be given to Joe Blowers for the role he played as he was the only special district voice that spoke up while the debate around cities went on. She stated that although she is a big believer in cities, this issue is about service and when there is a service district that is working and is popular and well liked, its voice needs to be heard.

Bill Kanable moved the Board of Directors approve the position paper as presented. Joe Blowers seconded the motion. Roll call proceeded as follows:

Bob Scott Yes
John Griffiths Yes
Joe Blowers Yes
Bill Kanable Yes
Larry Pelatt Yes

The motion was UNANIMOUSLY APPROVED.

John Griffiths added that he believes this is a good move in that the District has not been anywhere near as active in governmental affairs and the greater atmosphere in the past.

C. West Park SDC Credit Project at Bethany Village

Steve Gulgren, Superintendent of Planning & Development, provided a detailed overview of the memo included within the Board of Directors information packet, noting that Central Bethany Development is proposing a System Development Charge (SDC) credit project that would provide a north-south Waterhouse Community Trail connection with a bridge and boardwalk crossing, in addition to dedicating 0.51 acres to the Park District for the trail corridor and selling most of the remaining portion of the property (Tract C) to the Park District for SDC credits. The first presentation to the Board of Directors regarding this project occurred at the June 2, 2008 Regular Board meeting. Steve noted that the action requested of the Board this evening is approval of the SDC credit project and for the General Manager or his designee, to enter into a Memorandum of Understanding that includes the SDC credits and trail improvement cost estimates as described, and authorization for staff to prepare a letter to Washington County outlining the approved SDC credit package parameters and submit the letter to Washington County for their records and implementation. Steve introduced Jeff Oberst, Project Manager of Central Bethany Development, who is in attendance this evening.

Steve provided a brief overview of the Arbor Homes trail connection near the SDC credit project under discussion this evening, noting that the Park District has stepped aside as the issue is between Washington County and Arbor Homes.

✓ Joe Blowers stated that the trail currently ends at a chain link fence, noting that he does not believe that this would satisfy Washington County's conditions of approval. Steve replied that he does not believe the surface of the trail would satisfy the conditions either.

Joe referenced the site map included within the Board of Directors information packet, noting that the proposed trail design includes two right angles at steep grades. He questions whether this is a safety issue, especially for those on bicycles.

✓ Steve replied that softening the angles will be addressed through the design of the project and that the map is only attempting to show the general connection to the existing trail.

Joe noted that there is a de facto trail going west into West Union Estates Park and asked if there are any plans to make a connection to that.

✓ Doug replied that it is a project included within the upcoming bond measure package.

President, Larry Pelatt, stated that although he understands it is not a Park District issue, he would like to see more of an effort to resolve the Arbor Homes trail issue.

President, Larry Pelatt, opened the floor for public testimony.

Fred Meyer, 4861 NW 162nd Terrace, Portland, is before the Board of Directors this evening representing Arbor Parc residents. He has spoken to a number of residents adjacent to the SDC credit project area and all have been in favor of it; however, there is a concern regarding the configuration of the eventual east-west trail, although he understands that it is technically an issue between Washington County and Arbor Homes. He described how the current homeowners of Arbor Park are not represented well by the Arbor Parc Homeowners Association as it is still in the hands of the developer, but that the homeowners would like to be involved in the planning process of determining the placement of the east-west trail.

- ✓ Larry replied that the issue of the east-west trail is between Washington County and Arbor Homes.
- ✓ Bill Kanable noted that Arbor Homes installed a path without a lot of consideration that just dead ends into the park.

Fred replied that he believes Arbor Homes felt that they were meeting the requirements of Washington County.

Larry stated that to the extent that the Park District gets involved in the placement of the east-west trail, they would welcome the homeowners' participation. Larry asked Steve if the Park District is going to be involved.

✓ Steve replied that the original plan approved by Washington County was for the east-west trail to connect with Waterhouse Trail at the central access point. He described the original route of the trail via a PowerPoint of the site map included within the Board of Directors information packet. The Park District had been involved in the discussion between Washington County and Arbor Homes in order to help facilitate a solution because the Park District is interested in the overall connectivity of the trail. However, Washington County has wanted the Park District to play a larger role in the process than its responsibility is in the situation.

Bill asked whether Washington County and Arbor Homes would seek the Park District's assistance in designing the trail.

✓ Steve replied that the Park District has had preliminary discussions regarding the design presented.

Bill asked if the Park District is going to have input as to how the design is going to work.

✓ Steve confirmed this.

✓ Hal replied that the trail is a condition of approval that was placed on Arbor Homes by Washington County and one requirement was that the trail connect to the Waterhouse Trail. Once the Park District takes possession of the Central Bethany Development property, Arbor Homes will have to be cognizant that it is Park District property.

Bill reiterated that if the Park District takes possession of the property, Arbor Homes would need to come to the Park District for the final design and approval.

✓ Doug Menke, General Manager, confirmed this, noting that there are timing issues to consider as well.

Bill stated that until the Park District acquires the property, it has no control over the issue. However, once the property is acquired, the Park District would have some control over the issue, which is what Fred is interested in.

✓ Fred noted that even if the Park District does not own the property, it would still have influence over the trail placement, including where the entry of the trail would be into the development, and he is asking that the homeowners be involved in that process even if the District does not own the property.

Joe Blowers noted that it is almost a given that the Park District would have neighborhood involvement, particularly if common areas are effected.

✓ Fred noted that in most cases there would be representation through the homeowners association, but part of the concern is that the association is not in place right now.

Joe asked for confirmation that there is a group of residents interested in this issue.

✓ Fred confirmed this, noting that they would appoint a lead contact resident to be involved with all parties.

Larry commented that it appears that the group is basically a less formal version of a homeowners association and that the Park District is not averse to working with them.

✓ Fred noted that the residents want to help in such a capacity until the turnover of the homeowners association, which may occur at the end of the year, or early next year.

Bill expressed disappointment in Arbor Home's decision to alter the original trail design.

✓ Joe commented that he does not believe trails are the developer's highest priority. He encouraged Fred to keep all of the homeowners informed of the situation.

Fred described that Arbor Parc is in multiple states of development and that they are talking to everyone they can.

Joe Blowers moved the Board of Directors approve the SDC credit project and for the General Manager, or his designee, to enter into a Memorandum of Understanding that includes the SDC credits and trail improvement cost estimates as described, and authorization for staff to prepare a letter to Washington County outlining the approved SDC credit package parameters, and submit the letter to Washington County for their records and implementation. Bob Scott seconded the motion. Roll call proceeded as follows:

John Griffiths Yes
Bill Kanable Yes
Bob Scott Yes
Joe Blowers Yes
Larry Pelatt Yes

The motion was UNANIMOUSLY APPROVED.

D. General Manager's Report

Doug Menke, General Manager, provided a detailed overview of the General Manager's Report included within the Board of Directors information packet, which included the following topics:

- November 2008 Bond Measure Information Program
 - Bob Wayt, Director of Communications & Development, provided a brief status report on the bond measure information program, noting that Mark Weiner of Winning Mark LLC has been hired as the consultant and that community presentations are in the process of being scheduled.
- Beaverton Urban Renewal Charter Amendment Task Force
 - Hal Bergsma, Director of Planning, provided a detailed overview of the task force formed to consider how the City Charter might be amended to reduce or remove restrictions on the use of urban renewal by the City of Beaverton.
- Legislative Update
- Board Member, Joe Blowers
- September Board of Directors meeting
 - o It was the consensus of the Board of Directors to schedule the September Board meeting for September 15, 2008.

Doug offered to answer any questions the Board of Directors may have regarding the General Manager's Report.

Joe Blowers asked how non-site-specific projects could be highlighted within the bond measure informational materials.

✓ Doug replied that staff will work with the consultant on this issue, noting that some projects, such as land acquisition, cannot be site-specific.

Joe commented that some projects, such as land acquisition for a community park in the northeast quadrant, are large projects, but are not very obvious in the current informational materials.

Larry Pelatt commented on the complications that can arise when using an Urban Renewal District that he learned of through his experience with the North Bethany planning process, as well as various other past experiences throughout the Metropolitan area.

John Griffiths described a recent meeting between himself, Doug, Charles Jordan, Chair of the Conservation Fund, and Bob Schulz with Portland Parks and Recreation, regarding the lack of funding for outdoor school programs. He noted that the Conservation Fund is dedicating \$7 million toward this issue and discussion arose regarding the Park District partnering on a project in this area. He stated that he is going to draft a concept paper for review, expressing that it is important to give the newest generation exposure to nature to develop them into good stewards.

Agenda Item #8 – New Business

A. Elections Guidelines for Elected Officials & Public Employees

Doug Menke, General Manager, introduced Park District Legal Counsel, Pam Beery, to provide an overview of elections guidelines for elected officials and public employees. Pam provided a brief review of the memo included within the Board of Directors information packet titled *Elections, Public Employees and Elected Officials*, noting that Doug has asked legal counsel to review all bond materials in order to ensure that there are no such conflicts that would tarnish the bond measure.

Doug commented that legal counsel has been offering their review of bond measure materials in a timely manner and that it has been a great partnership as some of their comments have produced a better product in the end. He noted that it will be critical to continue legal counsel's involvement in the work produced by the bond measure information consultant.

Doug noted that the information provided within the Board of Directors information packet has also been provided to all Park District employees. In addition, a leadership staff meeting has been scheduled for August 14 to review the topic again to ensure that staff is aware of the rules.

Pam noted that the next step in the bond measure process will be to file the measure with the County early in order to allow for plenty of time to address any concerns.

✓ Bob Scott asked who would voice such concerns.

Pam replied members of the public.

✓ Bob asked for confirmation that the public will be offered the opportunity to review the ballot language.

Pam confirmed this, noting that elections officers could also bring up concerns as well.

✓ Doug noted that the bond measure caption, question, summary and explanatory statement would be filed with the Washington County Elections Office tomorrow morning. They have the obligation to advertise the material in order to provide the public the opportunity for review, for which there is a seven-day appeal period.

Pam commented that the public can challenge the ballot title and that such challenges are reviewed and at times have gone all the way up to the Supreme Court.

Joe Blowers asked, if he were to be on a speakers bureau for the "Vote Yes" Committee, could he represent himself as a Board member when speaking?

Pam confirmed this, noting that he is an independent, elected official. However, he cannot ask Park District staff to prepare materials for that meeting.

President, Larry Pelatt, asked whether the Board could hand out the informational materials prepared by Park District staff.

✓ Pam confirmed this, noting that the material prepared by the Park District would be purely informational.

Bill Kanable asked Pam if she sees any potential issues with the ballot language.

✓ Pam replied that she is very comfortable with the ballot language approved this evening or it would not have been distributed in the Board packet. She reiterated that many individuals participated in the drafting and review of the material.

Bill asked whether the ten-word caption statement is appropriately balanced when compared to the actual funding proposed for the various areas of the bond measure, especially pertaining to conservation items.

- ✓ Pam replied that the limit of ten words requires creativity, noting that legal counsel and staff worked hard to achieve balance and attempt to represent all of the different projects fairly, without emphasizing any one over another.
- ✓ Doug replied that well over 50% of the entire package is dedicated to parks, trails and conservation. In addition, respecting that the predominance of Park District trails would end up next to riparian corridors and require mitigation, the areas next to those trails would also be improved.

John Griffiths described a story about someone he knew who did not maintain the separation between public assets and candidacy and the consequences involved in such a mistake. He stated that there are people watching such issues and encouraged the Board to follow the rules.

✓ Bill stressed that the Board should not use their Park District email for such efforts.

Larry referenced the informational presentations to various community groups that are in the process of being scheduled and asked that the Board members communicate back and forth as to which meetings they could attend.

- ✓ Bill asked whether there is a conflict if Park District staff facilitates those meetings. Pam replied that staff can do minor clerical work, and scheduling meetings for informational presentations is part of that. The key is that the Board member and staff roles are different at the meetings. Staff will be there to present informational material, while the Board members can take an advocacy role.
 - ✓ Doug commented that having a Board member at the informational meetings is a way to compliment the presentation. He noted that it is a respectful balance in that a lot of the groups want to hear from an elected official.

Agenda Item #9 – Adjourn There being no further business, the meeting was adjourned at 8:45 p.m.					
Larry Pelatt, President	Bob Scott, Secretary				
Recording Secretary, Jessica Collins

RE:

Cooperative Agreement for Partners for a Sustainable Washington County

Community

Background

In 2007, the Washington County Vision Action Network (VAN) commissioned a Sustainability Organization Feasibility Study as a follow up to the outcomes of the Sustainability Conference they sponsored with other community organizations. The purpose of the study was to research relevant data and background materials on existing sustainability organizations; identify important issues and opportunities surrounding sustainability; assess the need for (and interest in) creating a structure to coordinate sustainability efforts within Washington County, as well as provide guidance on alternatives to local decision-structure, funding and metrics of a sustainability entity.

The study showed strong support for an independent sustainability organization to provide coordination and meta-services for Washington County cities, agencies, and businesses. This organization is titled, Partners for a Sustainable Washington County Community (PSWCC).

A number of cities and special districts have signed on as funding partners, including the following: Washington County, City of Beaverton, City of Banks, City of Cornelius, City of Hillsboro, City of Tualatin, Clean Water Services, Tualatin Valley Water District, Portland Community College – Rock Creek, and Tualatin Valley Fire & Rescue. The cost of the program will be divided among the partner agencies listed above and the Park District's share is estimated to be \$14,400 annually (this amount will be prorated for the first fiscal year).

Attached please find the Cooperative Agreement for Partners for a Sustainable Washington County Community for Board of Directors consideration. The agreement has been reviewed and approved by Park District legal counsel.

Action Requested

Board of Directors approval of the Cooperative Agreement for Partners for a Sustainable Washington County Community.

COOPERATIVE AGREEMENT FOR PARTNERS FOR A SUSTAINABLE WASHINGTON COUNTY COMMUNITY

This Cooperative Agreement (Agreement) establishes a relationship among the signatories of this Agreement to support their sustainability efforts and goals, and contains the terms and conditions for member organizations to share and leverage their sustainability resources in Washington County and beyond.

AGREEMENT

1. Partners for a Sustainable Washington County Community Established

1.1 This Agreement is entered into by the Partners that have, by executing this Agreement, manifested their intent to enter into a relationship with other public entities to support and enable sustainable practices both within their organizations and to residents of Washington County. The name of the collective group of Partners is: PARTNERS FOR A SUSTAINABLE WASHINGTON COUNTY COMMUNITY (PSWCC). A List of all Partners is attached as Exhibit A.

2. Purpose

2.1 Recognizing that it is more effective to pool resources and work cooperatively, the PSWCC will gather and disseminate information and support Partner organizations in their efforts to address sustainability, develop best management practices and share information about sustainable practices for the citizens of Washington County and beyond.

3. Authority

3.1 The parties hereby declare that they have the authority to enter into this Agreement pursuant to their Principal Act and Oregon Revised Statutes, Sections 190.003-190.030.

4. Definitions

- 4.1. As used in this Agreement, the following terms mean:
 - 4.1.1. *Fiscal Year*: The PSWCC fiscal year shall be July 1 to June 30 of each calendar year.
 - 4.1.2. <u>Governing Board (GB)</u>: The GB is made up of one representative from each Partner (Partner Representative) with the responsibilities set forth in section 5 of this Agreement.
 - 4.1.3. <u>Lead Administrative Agency:</u> The Partner that houses and maintains PSWCC physical assets and handles PSWCC administrative and financial functions.

- 4.1.4. <u>Operations Team (OT)</u>: The OT is made up of one representative from each Partner (Partner Representative) with the operating responsibilities set forth in section 6 of this Agreement.
- 4.1.5. <u>Partner</u>: Partners are local governments that have executed this Agreement, desire to further their sustainable practices and agree to contribute financially to PSWCC. Partners shall make payments to the PSWCC as provided in the Standard Schedule attached as Exhibit B to this Agreement. Partners have representation (Partner Representatives) on the GB and the OT. Partner Representatives are eligible to serve on any committee created by the GB or OT. Each Partner Representative serving on the GB, OT or any other committee established by PSWCC shall have one vote and may vote on PSWCC matters.
- 4.1.6. <u>Partners for a Sustainable Washington County Community (PSWCC):</u> The collective group of Partners that will support the sustainable practices of Partner organizations in Washington County.
- 4.1.7. <u>PSWCC Sustainability Coordinator</u>: The PSWCC Sustainability Coordinator is a full time position responsible for coordinating the activities of Partners, disseminating information and educational materials, making presentations on sustainable practices, overseeing the PSWCC budget, recruiting new Partners and other activities deemed appropriate by the GB and OT. The PSWCC Sustainability Coordinator shall be supervised by the Lead Administrative Agency in consultation with the OT.

5. Governing Board

- 5.1. A Governing Board (GB) is established to organize and maintain the PSWCC. The GB shall be composed of one representative from each Partner (Partner Representative). The GB has the power to vote on PSWCC matters. Each Partner Representative shall have one vote.
- 5.2. The GB is responsible for:
 - 5.2.1. Reviewing and approving PSWCC strategic plans, goals and objectives and annual work plans prepared by the OT;
 - 5.2.2. Reviewing and approving the annual budget, the Standard Schedule (Exhibit B), and other fiscal documents and expenditure decisions prepared by the OT;
 - 5.2.3. Approving the addition of Partners;
 - 5.2.4. Approving the selection of the Lead Administrative Agency; and
 - 5.2.5. Approving the Service Level Understanding that governs the rights and obligations of the Lead Administrative Agency.

- 5.3. GB meetings shall comply with Oregon Public Meetings Laws.
- 5.4. A majority of the GB constitutes a quorum at any special or regular meeting. A majority of a quorum is required to take official action.
- 5.5. The GB will adopt rules governing its procedures including but not limited to the time, regularity, and place of its regular meetings, and a procedure for calling special meetings.
- 5.6. The GB will elect a Chair and Vice Chair by a simple majority vote of the Partner Representatives; however, neither the Chair nor the Vice Chair may be the chief executive officer or representative of the Lead Administrative Agency. The Term of the Chair and Vice Chair will be for two years, with elections held at the first meeting in even numbered fiscal years. The Vice-Chair will preside and act in the absence of the Chair. Any permanent vacancy in the positions of Chair or Vice-Chair shall be filled by a special election of the GB held at a regular or special meeting of the GB.
- 5.7. The Lead Administrative Agency will act as the Secretary for the GB and is responsible for providing meeting notices, taking meeting minutes and other tasks deemed appropriate by the GB.
- 5.8. The GB may make, establish and alter rules and regulations for its procedure consistent with generally recognized principles of parliamentary procedure. Except as otherwise reserved for the OT, the GB shall have the power to carry out the purposes of this Agreement, including but not limited to the power to: create bylaws; organize meetings; disseminate information; create informational brochures; create subcommittees; maintain membership lists; maintain equipment and supply inventory lists; and deal with membership issues.
- 5.9. The GB may establish committees as it deems necessary and desirable. Such committees will be advisory committees to the GB.
- 5.10. The GB may delegate any PSWCC matter to the OT or any other PSWCC committee deemed appropriate by the GB.
- 5.11. At any time, the GB may establish an Executive Committee.

6. **Operations Team**

- 6.1. The OT shall have one representative appointed by each Partner (Partner Representative), and each Partner Representative has one vote.
- 6.2. The OT will nominate and elect a Chair, Vice Chair, and Secretary for two year terms. The Vice Chair will preside and act in the absence of the Chair.
- 6.3. A majority of the OT members constitutes a quorum.

- 6.4. The OT will meet at least quarterly at a time and place designated by the Chair. All meetings require at least seven days written notice to all OT members. Special meetings of the OT may be called by the Chair or any two Partner Representatives upon at least seven days prior written notice to all OT members. Email notification is acceptable for quarterly and special meetings.
- 6.5. OT meetings shall comply with Oregon Public Meetings Laws.
- 6.6. The OT is responsible for:
 - 6.6.1. Consulting with the Lead Administrative Agency supervisor on operational issues such as hiring, performance appraisals, and any termination of the PSWCC Sustainability Coordinator;
 - 6.6.2. Providing technical assistance to the PSWCC Sustainability Coordinator;
 - 6.6.3. Consulting with the PSWCC Sustainability Coordinator regarding contracts for any PSWCC services subject to approval of the Lead Administrative Agency;
 - 6.6.4. Recommending strategic plans, goals, objectives and work plan to the GB;
 - 6.6.5. Recommending changes to the annual budget, the Standard Schedule (Exhibit B), and other fiscal documents to the GB;
 - 6.6.6. Creating policies and procedures for GB approval;
 - 6.6.7. Overseeing the work plan and performance standards; and
 - 6.6.8. Such other activities deemed appropriate by the GB.

7. Lead Administrative Agency

7.1. The Lead Administrative Agency will support the administrative, fiscal, and technical aspects related to PSWCC operations as provided in the Service Level Understanding. The Lead Administrative Agency shall be the Portland Community College (PCC) and the PSWCC will be housed at a PCC facility located in Washington County. The GB may change the Lead Administrative Agency at any time by majority vote of the GB, consistent with the terms of the Service Level Understanding. The GB shall select a new Lead Administrative Agency if the prior Lead Administrative Agency withdraws as provided in Sections 12.3 or 12.4 below. If the GB votes to change the Lead Administrative Agency, it shall do so with sufficient notice to the prior Lead Administrative Agency so that the prior Lead Administrative Agency has sufficient time to transfer PSWCC staff to the new Lead Administrative Agency consistent with any applicable collective bargaining agreement, personnel policy or state law. PSWCC operations shall vacate the prior Lead Administrative Agency's premises within thirty days of the date that transfer is complete.

- 7.2. The Lead Administrative Agency will be the employer of record of PSWCC staff, including the PSWCC Sustainability Coordinator. It will be responsible for:
 - 7.2.1. Employing and paying staff, including benefits;
 - 7.2.2. Supervising PSWCC staff with disciplinary authority;
 - 7.2.3. Interviewing, hiring, and terminating staff in consultation with the OT;
 - 7.2.4. Conducting annual reviews in consultation with the OT; and
 - 7.2.5. Such other activities deemed appropriate by the GB or OT as agreed to by the Lead Administrative Agency in the Service Level Understanding or subsequent amendments.
- 7.3. The Lead Administrative Agency will provide technical support for all PSWCC assets. The Lead Administrative Agency's responsibilities in this role will be defined by an annual Service Level Understanding between the Lead Administrative Agency and PSWCC.
- 7.4. The obligation of the Lead Administrative Agency to perform the functions set forth in this Agreement is contingent upon receipt and level of funding for the program received from the PSWCC Partners.

8. Partner Duties and Rights

8.1 Partners shall make payments to the PSWCC as provided in the Standard Schedule attached as Exhibit B to this Agreement, as amended from time to time. Payments shall be made within 45 days of the start of the Fiscal Year (August 15). Partners shall have representation on the GB and the OT. Partner Representatives are eligible to serve on any other committee created by PSWCC. Each Partner Representative serving on the GB, OT or any other committee established by PSWCC shall have one vote and may vote on PSWCC matters. Partner Representatives may propose items for any GB or OT meeting agenda.

9. Funding PSWCC Expenses

9.1. The services of the Lead Administrative Agency, the PSWCC Sustainability Coordinator and other PSWCC expenses will be funded with dues and in-kind contributions from Partners as provided on the Standard Schedule (Exhibit B).

10. Procedures Manual

10.1. The OT will create procedures for the PSWCC and will incorporate them into a Procedures Manual. The GB has oversight authority, final editorial control and must approve the Procedures Manual.

11. Additional Partners

11.1. The GB will develop methods for extending participation to additional local governments and agencies. New Partners will be accepted into the PSWCC only upon approval of a majority of the GB.

12. Duration, Withdrawal, Termination, and Ownership

- 12.1. Each Partner owns an undivided common interest in PSWCC assets and in all unexpended and unencumbered funds held by the Lead Administrative Agency for PSWCC, in the same proportion as the Partner pays current annual fees.
- 12.2. The Term of the Agreement is three (3) years from the Effective Date. The GB may commission a benefits assessment to be competed during the third year of the Agreement.
- 12.3. A Partner may withdraw from the PSWCC by giving to the GB Chair written notice at least three (3) months in advance of the subsequent fiscal year. The written notification (on official letterhead, not email) must include a transition plan developed by the withdrawing Partner to allow the orderly and coordinated ending of all applicable PSWCC related services. Upon withdrawal, the former Partner forfeits any claims to PSWCC assets.
- 12.4. A Partner may withdraw from the PSWCC without written notice as provided in section 12.3 only by unanimous vote of the GB. However, if a Partner does not obtain authorization from its governing board to fund participation in PSWCC, such Partner will notify the other Partners as soon as possible that payment will not be forthcoming and that the Partner will withdraw from PSWCC. In the event a Partner does not obtain permission from its governing body to fund participation in the PSWCC, such Partner may withdraw without penalty. Upon withdrawal, the former Partner forfeits any claims to PSWCC assets.
- 12.5. The PSWCC and this Agreement may be terminated by mutual agreement of all Partners. At the time of termination, all Partners are entitled to a share of the proceeds of sale of assets purchased by the Lead Administrative Agency using PSWCC funds including equipment and software and any unexpended and unencumbered funds held for use by PSWCC in the same proportion as their ownership interests.

13. Remedies and Attorneys' fees

13.1. If a Partner attempts to withdraw from the PSWCC but fails to follow the notice process required by section 12.3 or to obtain the authorization under section 12.4, the Partners recognize that each has relied upon the other's contributions for the budget in place for the applicable fiscal year. Therefore, the withdrawing Partner shall forfeit that amount paid and attributed to it for the PSWCC annual operation costs for the current fiscal year, as determined by the current PSWCC Fee Schedule to keep the remaining Partners whole.

14. Liability and Indemnification

- 14.1. Subject to the Oregon Constitution, and the limits imposed under the Oregon Tort Claims Act, each Partner agrees to hold harmless, defend, and indemnify each other Partner, including their board, representatives, officers, employees and agents against all claims, demands, actions or suits (including all attorneys' fees and costs) arising from this Agreement where the claim, suit, action, loss, damage, injury or liability is attributable to the acts or omissions of the indemnifying Partner, its governing board, representatives, officers, and employees.
- 14.2 Notwithstanding Section 14.1, when the Lead Administrative Agency is conducting PSWCC activities off Lead Administrative Agency premises ("Off Site Activities"), the Partners agree to hold harmless, defend, and indemnify the Lead Administrative Agency against all claims, demands, actions, or suits (including all attorneys' fees and costs) arising from Off Site Activities. Nothing in this section shall require the Partners to indemnify the Lead Administrative Agency from liability arising from the sole negligence of the Lead Administrative Agency, its officers, or employees.

15. Disputes

- 15.1. If a dispute arises between the parties to this Agreement, the disputing parties shall first attempt to resolve the dispute by negotiation, followed by mediation and finally by filing an action in a court of competent jurisdiction.
- 15.2. Step One: The disputing parties shall authorize a person ("Authorized Official") to negotiate on their behalf. If the dispute is resolved at this step, there shall be a written determination of such resolution, signed by the parties' Authorized Official and ratified by each governing body, if required. Step One will be completed when written notice is delivered to all disputing parties.
- 15.3. Step Two: If the dispute cannot be resolved within fifteen (15) business days at Step One, the disputing parties shall submit the matter to mediation. The disputing parties shall attempt to agree on a mediator. If they cannot agree, the disputing parties shall request a list of five (5) mediators from an entity or firm providing mediation services. The disputing parties will mutually agree on a mediator from the list provided. If the disputing parties cannot mutually agree upon a mediator, the disputing parties shall alternatively strike one name from the list until one mediator remains. The remaining mediator shall be the mediator for the dispute. Any common costs of mediation shall be borne equally by the disputing parties who shall each bear their own costs and fees. If the issue is resolved at this step, a written determination of such resolution shall be signed by each Authorized Official and ratified by their respective governing bodies, if necessary.

15.4. Step Three: If the disputing parties are unsuccessful at Steps One and Two, the dispute shall be resolved by a State of Oregon court of competent jurisdiction. Venue shall be in the Circuit Court for Washington County.

16. Notice

16.1. A Partner that becomes aware of a claim or suit that in any way, directly or indirectly, contingently or otherwise, affects or might affect other Partners to this Agreement shall provide prompt and timely notice to the Partners that may be affected by the suit or claim. Each Partner reserves the right to participate in the defense of such claims or suits as necessary to protect its own interests.

17. Insurance

17.1. Partners of this Agreement shall maintain an appropriate insurance policy or maintain a self-insurance program that covers activities that it may undertake by virtue of participation in the PSWCC.

18. Amendments

18.1. No provision of this Agreement may be modified, altered, or rescinded by individual Partners. This Agreement may only be changed, modified, or amended in writing by Vote of at least three-quarters of the GB.

19. Effective Date

19.1. This Agreement becomes effective when it has been authorized and executed by each of the Partners' governing bodies or representatives identified in Exhibit A.

20. Severability

20.1. The parties agree that if any term or provision of this Agreement is declared by a court of competent jurisdiction to be illegal or in conflict with any law, the validity of the remaining terms and provisions shall not be affected, and the rights and obligations of the parties shall be construed and enforced as if the Agreement did not contain the particular term or provision held to be invalid.

21. Governing Law; Jurisdiction; Venue.

21.1. This Agreement shall be governed and construed in accordance with the laws of the State of Oregon without resort to any jurisdiction's conflict of laws, rules or doctrines. Venue shall lie in the Circuit Court of the State of Oregon for Washington County.

22. No Third Party Beneficiaries

22.1. The signatories to this Agreement are the only parties to this Agreement and are the only parties entitled to enforce its terms. Nothing in this Agreement gives, is

intended to give, or shall be construed to give or provide, any benefit or right, whether directly, indirectly or otherwise, to third persons unless such third persons are individually identified by name herein and expressly described as intended beneficiaries of the terms of this Agreement.

23. Execution in Counterparts

23.1. This Agreement may be executed in counterparts, each of which shall be an original, and all of which shall constitute but one and the same instrument.

APPROVED AND SIGNED by the appropriate officers who are authorized to execute this Agreement on behalf of the governing body of each Partner.

Resolution Authorizing Transfer of Metro Local Share Funds

Summary

Staff is requesting Board of Directors approval of the resolution (attached) to designate a new project for the Metro Local Share Bond project list and to transfer dedicated funding from an existing project necessary to acquire the new project property.

Background

At the February 6, 2006 Regular Board Meeting, the Board of Directors approved a Resolution to Submit Metro 2006 Natural Areas Bond Measure Project List. The list identified five projects that the Park District would use their Local Share funding for if the measure passed in November, 2006. The measure passed and the Park District entered into an Intergovernmental Agreement (IGA) with Metro, confirming that the previously submitted list of projects was still the same. The IGA allows for new or substitute projects to occur that are different from the originally approved project list, if the new or substitute projects meet certain conditions or criteria.

Negotiations with property owners have yielded no success in the acquisition, in partnership with the City of Beaverton, of a segment of the Beaverton Creek Trail, while an opportunity has arisen to use Metro Local Share Funds to acquire a property adjacent to the site of another Local Share project in the northeast quadrant.

Proposal Request

Staff is requesting that \$500,000 be transferred from Project #1, funding for right-of-way acquisition and construction funding for a regional trail segment (Beaverton Creek Trail) in the City of Beaverton, to funding for land acquisition and site preparation (removal of existing structures) for a park expansion in the northeast quadrant. Staff has reviewed the conditions in the IGA for establishing a new project and the proposed park expansion in the northeast quadrant meets these conditions. In addition, staff has discussed this proposal with Metro staff and they have approved the transfer request.

With the proposed transfer of \$500,000 to the northeast quadrant project, there still will be \$500,000 in City of Beaverton local share funds remaining for Project #1. Assuming the Board of Directors approves the new resolution in a public meeting, staff will forward the documentation to Metro to obtain their approval and sign off on the funding transfer.

Regular Meeting of the Board of Directors September 15, 2008

Park District attorney, Pam Beery, has reviewed the resolution and has approved its form and content.

Benefits of Proposal

The transferring of funds will allow the Park District to acquire an expansion parcel to an existing park site that could allow for increased or better park services/amenities at that park. The transfer of funds will also allow the District to reserve limited System Development Charge revenues for other projects.

Potential Downside of Proposal

The transfer of funds from Project #1 will lessen the amount of funds available to acquire right-of-way for and to construct a segment of the Beaverton Creek Trail. However, if funds available from the City of Beaverton are inadequate to complete Project #1, should the needed property become available, THPRD may be able to assist with funding from another source.

Action Requested

Board of Directors approval of the resolution authorizing:

- The establishment of a new Local Share Project for a proposed park expansion in the northeast quadrant, and
- The transfer of \$500,000 in Local Share funds from Project #1 to the new project in the northeast quadrant.

RESOLUTION NO. 2008-10

RESOLUTION AUTHORIZING ESTABLISHMENT OF A 'NEW LOCAL SHARE PROJECT' AND TRANSFER OF FUNDS FOR ACQUISITION

WHEREAS, Metro received voter approval of the November 2006 Natural Areas Bond Measure and subsequently requested project listings from qualifying jurisdictions available for such funding; and

WHEREAS, the Tualatin Hills Park & Recreation District is the park provider for the City of Beaverton and portions of unincorporated eastern Washington County; and

WHEREAS, the Tualatin Hills Park & Recreation District has coordinated with the City of Beaverton and Washington County to develop a list of projects for local share funding that would be to the benefit of all three partnering agencies; and

WHEREAS, the list of projects includes only natural area related activities or acquisition of land for parks including capital improvements such as restoration and enhancement, American with Disabilities Act improvements, public use facilities, environmental education facilities, and trails.

NOW, THEREFORE, it is hereby resolved as follows:

The Tualatin Hills Park & Recreation District submits the following 'New Project' in the northeast quadrant of the district for Local Share Funding and approves the transfer of \$500,000 in funding to the 'New Project' from a previously Metro approved Local Share Project along the route of the Beaverton Creek Trail.

Project Site	Lead Agency
Funding for land acquisition and site preparation for a park	THPRD
property in the Park District's northeast quadrant.	IHPKD

DATED and adopted by the Board of Directors this 15th day of September, 2008.

By _____ Larry Pelatt, Board President

RE:

Audit Committee

Summary

Staff requests Board of Directors approval of two Committee member appointments to the newly formed Audit Committee.

Background

The Audit Committee was authorized by resolution at the April 7, 2008 Board of Directors meeting, and requires the appointment of three members. The Committee is drawn from the Board of Directors (1), the District Budget Committee (1), and the general public (1) for an appointment lasting two years, with staggered terms. Initially, the general public position will be appointed for one year only. At the April 2008 meeting, Bob Scott, Board Secretary, volunteered to fulfill the Board position for the initial two-year term.

Elisabeth Zeller, Budget Committee member, has expressed interest in appointment to the Committee, and it will be necessary to formally appoint her to a two-year term as the District Budget Committee representative.

Advertising for the general public position generated five applications (attached). A review committee, consisting of Larry Pelatt, Board President, Bob Scott and Elisabeth Zeller reviewed and ranked the applicants. The committee concurred that Kathleen Leader was the first choice for appointment to a one-year term, as the general public representative of the Audit Committee.

Action Requested

Board of Directors approval to appoint Elisabeth Zeller, District Budget Committee member (two year term), and Kathleen Leader, general public representative (one year term), to serve on the District Audit Committee.

Serving Beaverton and the west side since 1955.

TUALATIN HILLS PARK & RECREATION DISTRICT

Tualatin Hills Park & Recreation District Audit Committee Application

Name: Elisabeth Zeller	Date: 6/4/2008

Please note you must reside within the Park District's boundaries to serve on the Audit Committee.

1. Please explain your interest in serving on the Audit Committee:

As a Finance professional and current member of the THPRD Budget committee, I am very aware of the importance audits have on the financial health of organizations. They help give organizations credibility and positive reputations, while also helping improve financial processes and controls.

- 2. How long have you lived in the community? I have lived in-district for 8 years.
 - 3. Have you served on other volunteer committees? Yes [X] No [] If yes, please explain where, when, and what your responsibilities were:

Member of THPRD Finance committee - 2007-present

Member of THPRD Trails committee - 2006-present

Saltzman Road Project Advisory committee - 2007-2008

Past Court Appointed Special Advocate (1998-2002)

Start Making a Reader Today volunteer and advisory board committee member (1998-2000)

4. Have you or your family participated in any District activities?
What: Playgrounds, trail biking and running, dog obedience classes, baby swim classes, dance classes, visiting the Nature Park

When:

Where:

- If employed, what is your occupation?
 I am the Senior Finance manager for the Intel Foundation and Intel Corporation's Corporate Affairs and Global Public Policy groups.
 - Please describe any work experience or areas of expertise that you feel would benefit the Audit Committee:

I have worked closely with Intel's Internal Audit team on a number of audits over the years — identifying potential audit areas, providing information and clarification for auditors, and owning audit closure items. I've directed closure of A Audit items, one of which corrected a \$10M P&L accrual through extensive analysis and process training and another that revamped our method of paying grants and contributions, including training, new control procedures and periodic audits.

Please return application by June 11, 2008 to: Mail: Attn: Jessica Collins, Executive Assistant

Serving Beaverion and the west side tince 1955.

TUALATIN HILLS PARK & RECREATION DISTRICT

Tualatin Hills Park & Recreation District Audit Committee Application

Name: Kathleen Leader	Date: 06/10/08
<u> </u>	

Please note you must reside within the Park District's boundaries to serve on the Audit Committee.

1. Please explain your interest in serving on the Audit Committee:

I believe that my career in financial management provides me with skills, knowledge and experience that would benefit the District.

I value the mission, services and recreation facilities provided by Tualatin Hills Park & Recreation District, and believe that my knowledge and experience will foster the continuation and growth of District services in the community.

2. How long have you lived in the community?

I have lived in Cedar Hills over seven years.

3. Have you served on other volunteer committees? Yes [X] No [] If yes, please explain where, when, and what your responsibilities were:

I am currently the Treasurer for Forest Hills Village Homeowners Association. I have held this position for over six years. I am responsible for billing and collection of annual assessments, payment of bills monthly, preparation of annual tax statements and banking and investment functions. I participate as a member of the Board developing and enforcing bylaws, covenants and restrictions, and guidelines, responding to homeowner concerns, and addressing the needs of the Association.

I was a Board Member for Neighbor Health Clinics, a non-profit organization providing medical and dental services to indigent and uninsured individuals in North and South East Portland, from 1999 through 2002. I provided governance and direction for the operations and policies of the non-profit organization and assisted in fund raising opportunities.

4. Have you or your family participated in any District activities?

What: Pilates Class

When: A year ago

Where: Cedar Hills Recreation Center

I also jog at least twice a week through the Commonwealth Park and enjoy the lake, scenery and people. In early 1990 I volunteered as a swimming coach for the Special Olympics, and practices and events were held at the District's pool facility on Walker Road.

5. If employed, what is your occupation?

Accounting Services Manager with Clean Water Services

Please describe any work experience or areas of expertise that you feel would benefit the Audit Committee:

I have over eleven years in financial management and reporting experience, including six years in the local government sector.

My work experience as the Accounting Services Manager with Clean Water Services and Finance Director for the City of Troutdale, City of Wood Village and Holgate Center includes:

- Develop and administer policies and procedures for accounting, financial management, financial information system administration, banking and investment services, purchasing, auditing, budget, utility billing, debt administration, financial reporting, internal controls and property/liability risk management.
- Ensure compliance with generally accepted accounting standards and federal, state and local laws and regulations affecting fiscal activities and related operations.
- Prepare and oversee preparation of the Comprehensive Annual Financial Report.
- Serve as primary liaison with the independent auditors in developing the audit scope and responding to auditor's findings and recommendations.
- Direct the development of strategic plans for financial activities and prepare financial forecasts and models for resource and expenditure issues to ensure that long term financial management objectives are met.
- Direct development of the annual budget, establish and monitor budgetary controls, and ensure compliance with Local Budget Law.

Drummond E. Kahn, M.S., CIA, CGFM, CGAP

Dear Tualatin Hills Park and Recreation District:

I am interested in serving as a volunteer (public) member of your newlyformed audit committee. As a District resident and park system user since 1994, I bring eighteen years of government audit and financial management experience, including experience with state and local government auditing, and teaching auditing at the graduate level. My specific experience is shown in the attached resume. Highlights include:

- Director of Audit Services for the City of Portland
- Chief of Audit Services for the Oregon Department of Transportation
- State Audit Administrator for the Oregon Secretary of State Audits Division
- Certified Internal Auditor
- Certified Government Financial Manager
- · Certified Government Auditing Professional
- Member, officer, and board participation, Association of Government Accountants
- Member, officer, and board participation, Association of Local Government Auditors
- Teaching experience in auditing and financial management at the University of Oregon and Portland State University

My interest in the District stems from my home's location near THPRD's Mitchell Park and my family's extensive participation in recreation activities as well as my children participating in THPRD Pre-School programs (as well as sports and swimming). From "Sports Safari" and Tumbling to Basketball and Pre-School, and even the fall festival and spring egg hunt, my family is involved with the District, and I'm inspired to help through this volunteer service on the Audit Committee.

I believe that my long tenure in the government auditing community and my long residence and participation in the District qualify me for this volunteer position. Please let me know if I can provide any additional information. Thanks for your consideration!

Drummond Kahn

Government Auditing Experience: Eighteen years of responsible work as a government auditor following Yellow Book standards, including Federal, State, and Local experience conducting audits and advising management. Work experience includes service in U.S. General Accounting Office, a State auditor's office, and directing two large government audit functions in State and Local service. Board member of Northwest Intergovernmental Audit Forum, Past-President of local chapter of Association of Government Accountants. Certified Internal Auditor, Certified Government Financial Manager, Certified Government Auditing Professional.

Audit Training and Consulting Experience: Experience includes over 14 years of part-time consulting/training work, including more than a dozen overseas engagements to provide consulting/training in auditing and financial management issues to governments. Part-time experience teaching university courses to international students at a French management school. Teach Advanced Auditing to graduate students at University of Oregon (2000-Present). Teach Performance Auditing and Performance Measurement and Public Sector Financial Management to graduate students at Portland State University (1998-Present).

Employment:

February 2005 - Present:

Director of Audit Services, City of Portland

Direct the audit function for this \$2 Billion, 7,000-employee City government, managing the work of professional auditors in accordance with government auditing standards. Provide input to decision-making bodies, including boards, commissions, and City Council. Present sessions to Institute of Internal Auditors and Association of Local Government Auditors national conferences. Conduct and lead Peer Reviews under Yellow Book standards. Testify to City Council, interviewed by print and broadcast media.

August 2000 - February 2005:

Doug Menke, General Manager

RE:

General Manager's Report for September 15, 2008

Budget Committee Vacancies

Due to the expiration of two Budget Committee members' terms (Spence Benfield and Dennis Doyle), two Budget Committee positions are available for appointment. Park District staff recommends the Board of Directors begin accepting applications from the public in order to fill the vacancies and set a deadline that would allow staff to present the applications to the Board at the November 3, 2008 Regular Board Meeting.

November 2008 Bond Measure Information Program

Bob Wayt, Director of Communications & Development, will provide a brief status report on the bond measure information program. Topics will include the status of the first informational mailer, as well as an update regarding the informational presentations taking place to various community groups over the next two months.

Skate Park Opening & Dedication

The opening of the new Novice Skate Park at the HMT Recreation Complex will be celebrated on Wednesday, September 17 with a ribbon-cutting ceremony starting at 11:30 a.m. The Board of Directors, Athletic Center Advisory Committee, dignitaries, and others interested in the skate park have been invited. Skating demonstrations are planned.

Washington County Urbanization Forum

The next public session of the Washington County Urbanization Forum is scheduled for October 9 and will focus on the future of new urban and rural reserve additions. In addition, subgroups of the Forum based on geographical areas of unincorporated urbanized areas have begun meeting. I, along with Hal Bergsma, Director of Planning, will represent the District on all four subgroups: Aloha, South County, Raleigh Hills/Cedar Hills/West Slope, and Cedar Mill/Bethany/North Bethany.

Regional Parks System Summit

On November 20 and 21, I will be attending a Regional Parks System Summit being coordinated by Metro. This will be a facilitated high-level strategy discussion on the topic of regional park operations, including exactly what is a "regional" park, and both the longer financing and shared management issues surrounding that topic.

Regular Meeting of the Board of Directors September 15, 2008

December Board of Directors Meeting

Due to the Thanksgiving holiday impacting the production, delivery and review of the Board packet, it is recommended the December Board of Directors meeting be held on Monday, December 8, 2008.

Serving Beaverton and the west side since 1955.

- 1. <u>Staff completed a variety of tasks to help educate the public about the coming of fall registration in early September.</u> Ads were placed for two weeks each in *The Oregonian's Washington County Weekly* and the *Beaverton Valley Times*. A news release was sent to appropriate media and posters were created and distributed to THPRD facilities. In addition, staff produced the Fall 2008 Activities Guide that was mailed to patron homes in mid-August.
- 2. <u>Major marketing and communications support was provided for the District's summer Concert in the Park series.</u> This included multiple promotions of the series through ads in *The Oregonian* and intermittent work with the news media that resulted in newspaper stories. Staff also enlisted appropriate THPRD employees to serve as concert stage hosts and provided key Park District messages (including bond measure info) that the hosts shared with concert-goers at all nine sites during the summer. Total attendance at the concerts was several thousand.

Aquatics

Sharon Hoffmeister, Superintendent of Aquatic Program Services

- 1. The end of summer Aquacamp offered at Sunset Swim Center was a huge success with all five days filled with 20 students.
- 2. <u>Harman Swim Center, Conestoga Recreation & Aquatic Center, and the Aquatic Center will be closed during the beginning of September for maintenance.</u> Raleigh Swim Center and Somerset West Swim Center will remain open throughout the closures in order to accommodate any displaced programs.
- 3. The summer would not be the same if we did not have as our finale the Beaverton Staff Talent Show. The talent show, held on August 28, was a tremendous success. They had two shows featuring the entertaining and talented staff. Admission of two cans of food were donated to the Washington County Food Bank.

Maintenance

Dave Chrisman, Superintendent of Maintenance Operations

1. The Bethany Lake aquatic weed harvest operation is complete. Invasive algae were manually removed utilizing specialized harvesting equipment. Floating lily pads remain intact as they provide shade to cool the lake. The District contracted this service the week of August 18 and the Maintenance Department coordinated the effort with the Natural Resources Department.

- 2. <u>Staff are working with the City of Beaverton and our Planning & Development Department to monitor and evaluate our operations plan for Progress Lake.</u> Of particular interest are the lake levels, which fluctuate annually with the weather. Since this is the first year of operation, historic data is nonexistent. We are now in the process of evaluating our monitoring processes and data collection needs.
- 3. As we approach the end of the summer season, our ball field operations shift from baseball and softball to soccer and football. Soccer goal posts will be installed and fields will be lined weekly for games starting in the fall. A select number of fields will remain playable for fall baseball and softball through October.
- 4. Park crews will continue with mowing routes, park inspection activities, irrigation repairs and other repair projects through October. Our summer seasonal staff numbers decline as we near the start of the new school year. During the peak month of July, we provide approximately 12,000 hours of part time labor in our Park and Athletic Field Departments.

Natural Resources & Trails Management

Bruce Barbarasch, Superintendent of Natural Resources & Trails Management

- 1. <u>Murrayhill Restoration Update.</u> A plan has been developed to remove blackberries from the northernmost portion of Murrayhill Park for this fiscal year. It is anticipated that the first round of removal will start in September, pending the release of unused agricultural easements in the park.
- 2. <u>Sustainability.</u> The District's sustainability council, representing multiple departments, has been formed to work on a sustainability audit, a study of baseline operations, and a financial costing model.
- 3. <u>Invasive Species Summit.</u> Staff participated in a workshop with local, state, and federal officials to generate ideas on how to best manage invasive, non-native plant and animal species in Oregon. Based on summit outcomes, a report will be sent to the Governor from the group.
- 4. <u>Volunteer Summary.</u> One hundred thirty-two volunteers worked in nine different parks over the last month, including Hyland Forest, Camille, Bauman, Rosa and Tualatin Hills Nature Parks. They removed approximately 49 cubic yards of weeds, participated in the Nature Park Advisory Committee, Nature Park Summer Camp Program or as an AmeriCorps LINKS intern. Together our volunteers contributed approximately 515 hours of time, valued at \$9,305.

Planning & Development

Steve Gulgren, Superintendent of Planning & Development

1. Westside Trail: The contractor has installed all of the erosion control fencing for the project and has completed the removal of the existing vegetation. Construction on the trail has begun and staff is working with BPA to clarify field construction techniques. Staff also hired a "safety watcher" for the project to conform with BPA's land use agreement with the District.

2. <u>Park Planner Vacancy:</u> Planning staff has worked with the Human Resources Department to advertise for the vacant position for which over 50 applications were received. Staff has reviewed the applications, will interview candidates, and anticipates that the new Park Planner will start around October 1.

Programs & Special Activities

Lisa Novak, Superintendent of Programs & Special Activities

- 1. Staff is working with a Cedar Mill citizen to plan the 2nd Annual Cedar Mill Cider Festival. The event will be held at the John Quincy Adams Young House on Sunday, October 5 from 1:00-4:00 p.m. Music, apple pressing, historic displays, and a barbeque will be a part of the festivities. All proceeds from the barbeque will go to the restoration fund for the John Quincy Adams Young House.
- 2. <u>Approximately 80 volunteers contributed 520 hours of volunteer time at Party in the Park.</u>
 Community organizations providing volunteer teams included the Church of Jesus Christ of Latter-Day Saints and youth participating in the Park District's Leaders in Training Experience program.
- 3. The annual Youth Tennis Day, which is a free introduction to tennis, was held on July 25 with 34 participants.
- 4. THPRD hosted 20 athletes for the USTA/PNW Wheelchair Sectional Championships held August 15-17 at the Tennis Center.

Recreation

Eric Owens, Superintendent of Recreation

- 1. <u>Conestoga Recreation & Aquatic Center's Big Truck Day was a huge success with 3,475 registered participants, 42 vehicles, and 10 vendors.</u> There were donations from our community partners Les Schwab and Platt Electric. The Advisory Committee made more than \$1,300 in T-shirt and concession sales.
- 2. <u>Garden Home Recreation Center's 4th Annual Bow Wow Bash was very successful.</u> It was held on Saturday, August 9 with more than 500 people and their pets attending. Deborah Wood, author of a pet column in *The Oregonian*, assisted with judging the Olympic Competition. Also included were the Beaverton K-9 Unit, ability and obstacle course, fly ball course, silent auction, 50-50 auction, and great food. Approximately \$2,000 was raised for the Garden Home Advisory Committee.
- 3. The Rec Mobile is averaging over 190 kids a week at the nine sites. This is the first summer that we were asked to take part in the Beaverton Police Department's "National Night Out" 25th anniversary celebration at Griffith Park, which was held on Tuesday, August 5. The Rec Mobile was at Conestoga's Big Truck Day on Saturday, August 16. We also had our first party rental on July 12.

4. <u>Cedar Hills Recreation Center's Middle School Camp has ended and went incredibly well.</u> The entire camp staff was new to the program this year and they averaged 35 kids, between the ages of 11-14, each week.

Security Operations

Mike Janin, Superintendent of Security Operations

- 1. Park Patrol has had a busy summer. Since July 1, some of the activities that have been documented include 852 contacts in parks after hours, 88 incident reports, and 1,458 security checks at our parks. We have issued exclusions to individuals when necessary and have identified "extra patrol" areas in a number of parks where it has been found that neighborhood youths conduct "parties". We are patrolling all District properties in our vehicle as well as on bicycles. We have experienced an increase in contacts and communication by residents living on or near parks, as well as park users. We think this is due in part to the increase in patrols and promoting and educating residents about the Security Operations' services by appearing at all THPRD special events.
- 2. On September 16, Superintendents, Managers, Center Supervisors and Program Coordinators will be introduced to THPRD's first-ever Emergency Response Plan by attending one of two, two-hour training sessions offered that day. Scenario training will be conducted for employees in the fall and winter at THPRD facilities where they will be able to practice responses to emergency events and then be able to critique their performance as a team.
- 3. <u>Security Operations has worked on a number of encroachments over the summer.</u> We are pleased that, for the most part, we received a very good response from residents when contacted by the Superintendent of Security Operations.

Sports

Scott Brucker, Superintendent of Sports

- 1. Park District Maintenance and Program staff continue to work with Beaverton School District staff on field related issues resulting from school expansions this year.
 - <u>Hiteon Elementary School expansion</u>: Playground and trees in park (BSD owned property) have been removed, backstop poles are in the ground and major grading is complete.
 - <u>Kinnamen Elementary School expansion</u>: Excavation and rough grading are complete. Backstops will be moved later this year
 - <u>McKinley Elementary School expansion</u>: New field area was hydro seeded the week of August 21.
 - <u>Barnes Elementary School</u>: Construction is complete and the new backstop is in. Irrigation and field work will continue through the fall and next spring.
- 2. <u>Fall adult softball started the week of August 25</u> with seven more teams than in 2007. The growth came in the Men's and Coed Leagues.
- 3. The fall season for youth football and soccer began the first week of August. Games began September 6 on Park District fields as well as school sites.

Business Services

Cathy Brucker, Finance Manager Mark Hokkanen, Risk and Contract Manager Phil Young, Information Services Manager Nancy Hartman-Noye, Human Resources Manager Ann Mackiernan, Operations Analysis Manager

- 1. A new feature has been added to the part time job-posting tools within THPRD's Intranet site. Human Resources staff worked closely with the District's webmaster in the design and development of an automated distribution list. This list enables Human Resources to send an Internet link with each new job posting to all outlying Centers simultaneously. The recipient at each location will click on the link within the auto-generated e-mail, print the job description, and post in the usual location. The job announcement will also post automatically to the THPRD website. This new tool will ensure quick and consistent marketing of each open position and should prove to be a timesaver for staff.
- 2. <u>Doug Wyseman, an internationally known expert in risk management, will present his "Risks and Recreation" training to staff members September 9.</u> Doug will discuss risk management issues related to recreation programming, parks, skateboard parks, maintenance and trails. Doug has served on the board of the Canadian Parks and Recreation Association where he helped develop the Certified Playground Inspector program, as well as implementing anti-abuse and anti-harassment initiatives.
- 3. <u>Clearwire has approached the Park District to locate potential telecommunication sites on Park District property.</u> Staff is waiting for the carrier's formal proposal per the Board of Directors Operational Policy. The Park District is currently receiving approximately \$190,000 annually from 22 telecommunication site lease agreements.

Re: System Development Charge Report for June 2008

Below please find the various categories for System Development Charges, i.e., Single Family, Multiple Family, Manufactured Housing Unit, and Non-residential Development. Also listed are the collection amounts for both the City of Beaverton and Washington County, and the 1.6% handling fee for collections through June **2008**.

Type of Dwelling Unit	Current SDC per Type of Dwelling Unit
Single Family	\$6,783.00 with 1.6% discount = \$6,674.47
Multi-Family	\$5,071.00 with 1.6% discount = \$4,989.86
Manufactured	\$2,521.00 with 1.6% discount = \$2,480.66
Non-residential	\$176.00 with 1.6% discount = \$173.18

City of Beave	erton Collection of SDCs		<u>Receipts</u>	Collection Fee	Total Revenue

Neighbors say golf course rezone not on par with family plans

Friday, July 25, 2008

By Kurt Eckert

The Hillsboro Argus

The Argus

Citizens came out swinging at a meeting of the Washington County Board of Commissioners Tuesday, pitching concern about the owners of a Rock Creek golf course proposing a rezone that might allow them to sell designated open space for development.

According to letters sent by attorney Mike Anderson, representing U.S. Golf Clubs of Oregon LLC, the owners of the Rock Creek Country Club believe that as a private golf course, it never should have been designated as public open space. The owners of the course don't derive any tax benefit for open space and are losing money by keeping the golf course open, he said.

"While this golf course has an open space designation on it, it is open space only in the sense that it may not be developed for other uses," a letter dated March 12 reads. "However it is not currently open to the public, and it will be open space only as long as it is a golf course. If it is not a golf course, then not only will it be unavailable to members, but it would not be equitable to leave the course in the open space designation."

Should that happen, the company is negotiating with <u>Tualatin Hills Parks and Recreation Department</u> to enhance the existing Rock Creek Trail that crosses the property and possibly develop sports fields, Anderson wrote.

Residents of the area stand to lose a sizable amount of property value, as they paid a premium to buy property that was backed by a golf course, assuming the neighborhood would remain as is, said Mary Manseau, president of local Citizen Participation Organization 7.

The entire neighborhood was designed around the idea of open space, she said.

"Anything that goes in is going to be different," Manseau said. "It's about preservation of quality of life."

Land-use staff told commissioners in May that considering the zoning change would take too much staff time this year, and would likely raise the ire of the public. In his letters, Anderson said the owners were willing to pay for an independent consultant to help county staff with paperwork.

Desari Strader, the only commissioner who voted against considering the zoning change earlier this summer, has requested the 3 - 1 vote be reconsidered, said Land Use and Transportation spokesperson Anne Madden.

Residents testified Tuesday that it felt like the issue had been hushed intentionally. Many local homeowners believe the golf course owners are intentionally driving business down by dramatically increasing rates and pushing members out to help convince the commissioners to rezone. The involvement of former commissioner Delna Jones didn't help, said one man.

"Sometimes the appearance of impropriety is worse than impropriety," the man testified.

Commissioners attempted to quell concern by promising due diligence and plenty of public hearings.

"The only way you'd wake up to a bulldozer taking out the ninth hole is if you slept through many public hearings," Commissioner Roy Rogers said.

A CPO 7 meeting to discuss zoning is 7 p.m. Aug. 4, in room 1026 of the Capital Center, 18640 NW Walker Road.

Tualatin Hills Park and Rec to hold 'Party in the Park' celebration this Saturday

Friday, July 25, 2008

The Hillsboro Argus

BEAVERTON - Several thousand people are expected Saturday for the Tualatin Hills Park & Recreation District's annual Party in the Park celebration at 158th and Walker Road in Beaverton.

The daylong festival is THPRD's biggest community event of the year. It will feature a broad range of activities for children, adults and families. Admission is free to all activities, most of which start at 10 a.m. or later.

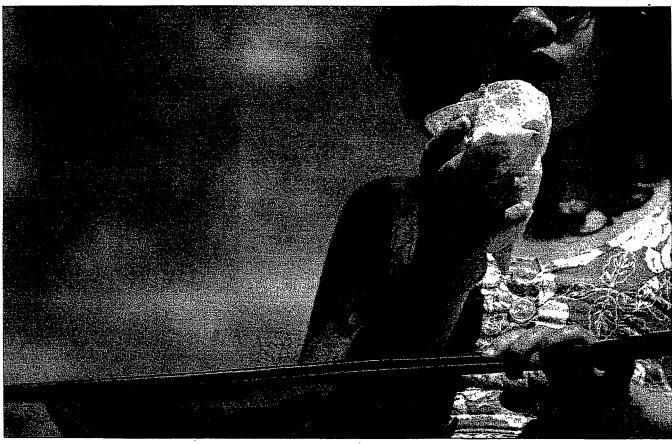

This event will offer a wealth of activities such as giant inflatables, climbing walls, arts and crafts, face painting, THPRD Rec Mobile, Beaverton Police K-9 Unit, and puppet and magic shows.

Other highlights: a concert with blues and neo-folk music, the Get A Life Marching Band, and The Classic at T-Hills collector car, truck and motorcycle show.

The day will also include plenty of sports activities, most notably the Family Triathlon (swimming, bicycling and running), open swims, and tennis and lacrosse clinics. The lacrosse clinic will be offered by the Portland LumberJax professional team.

New demonstration sports this year are kickball, wall ball and four square, which are experiencing a resurgence in popularity nationwide.

For a full schedule and map of activities, visit www.thprd.org/events/partyinpark.cfm.

Maila Chan, 6, watches from the sidelines Saturday as children compete in a cherry-pit-spitting contest at the Milwaukie Daze Festival at the Portland Waldorf School. Those participating in organized games received free snow cones.

A summerfest of festivals

Big-city residents mark bonds of culture and neighborhoods in small-town ways

By SARAH DUNLAP and KATY MULDOON THE OREGONIAN

On the last Saturday in July, dogs wore leis.

Moms painted daisies on little girls' faces.

Guys leaned in close to examine show-quality hot rods.

Someone, it seemed, had flipped on the switch labeled "festival."

From Vancouver to Milwaukie and Beaverton to Southeast Portland, Northwesterners celebrated everything from their cultures to their neighborhoods and their beers to their boats in at least a half-dozen festivals and fairs tucked into city parks, parking lots and main drags.

Each of the one-day events felt like a

fine excuse to leave weekend chores behind and bask in something even sweeter than shaved ice: summer.

In Vancouver, those who strolled into Esther Short Park felt transported to one jam-packed paradise. Thousands of locals and visitors ambled through the sixth annual Ho'ike and Hawaiian Festival as hula dancers swayed and musicians strummed island tunes.

`"I love you," one sang, "like a man-

The placed brimmed with muumuus and flowery shirts, the sound of ukulele music and the scent

Please see FESTIVALS, Page B3

After the Division/Clinton Street Fair Parade, Ellie Nakayama, 5, rests in the back of her father's float with her neighbor, Olivia Caron, 3.

"It's so grass-roots and so funky. It's a great reflection of this part of town."

Festivals:

Parades and a triathlon top day's agenda

Continued from Page B1

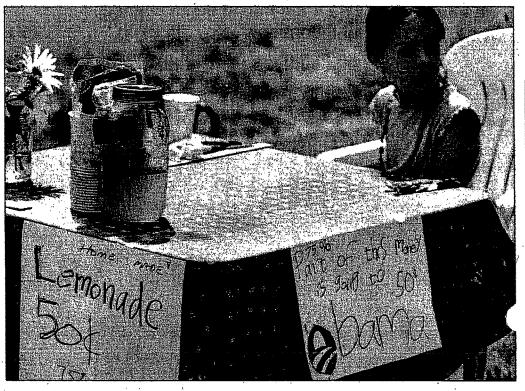

of grilling chicken. Vendors hawked hula gear, Hawaiian cookbooks, exquisite origami ornaments and fragrant pikake jasmine plants, whose flowers are used to make leis.

The festival, organized by the nonprofit Ke Kukui Foundation, promotes Hawaiian/Polynesian culture, arts and heritage and spreads a warm aloha sensibility. Or, as Deva Yamashiro, the foundation's lei-bedecked executive director put it, "If we had more aloha in this world, we wouldn't have so many problems."

Across the river, Beaverton seemed an ocean away.

Tualatin Hills Parks & Recreation District officials expected a crowd of about 5,000 would wander through its Party in the Park by the time daylong festivities wound down at 6 p.m. The district organizes the annual bash at the Howard M. Terpenning Recreation Complex to showcase its athletic programs and activities.

Scores of parents and kids strolled the grounds wearing medals they'd won — not a loser in the crowd — in the morning's family triathlon. Some checked out tennis and swim clinics, while others bounced around in massive inflatable play structures, perused a gleaming collection of classic cars or watched police officers

Mahala Shulman, 7, sells her homemade lemonade along the Division/Clinton Street Fair parade route. Mahala planned to donate 75 percent of her proceeds to Sen. Barack Obama's presidential campaign.

and police dogs demonstrate how they team up to track down bad guys.

Two of Saturday's festivals featured parades.

In the Division/Clinton Street Fair Parade, Tim Nakayama, sporting, bright red sunglasses and glittery devil horns, pedaled the route pulling a cart containing his daughter, a bubble wand and an Obama '08 sign, Music blared from his stereo.

Mayor-elect Sam Adams joined the procession, along with church congregations, clowns and others, while neighborhood residents watched.

"It's so grass-roots and so funky," Adams said. "It's a great reflection of this part of town." The fair was organized by Southeast Uplift, a neighborhood association that works to increase awareness and pedestrian traffic on neighborhood streets.

Deborah Kane, who watched from the sidelines with her daughter, Zoe, 7, called it "sweet."

"I just love it," she said. "It's a perfect community parade."

A little farther south, Milwaukie Daze went daylight to dark, with a morning parade, an afternoon of games, an evening concert and a fireworks show.

In front of the Portland Waldorf School, children ate fluorescent snow cones and played games. Families loaded up on com dogs from a cheerleading squad, and 84 volunteers from Portland's Life Christian Center kept the events running.

Michelle Chan, a longtime Milwaukie resident, recalled attending the Daze as a child. Now, she brings her daughters, 4 and 6. The day's events have not changed drastically, except for the carnival rides, which she said were absent for the first time this year.

"We used to have rides, but now this is just as much fun for the kids," she said. "This feels more small town."

NOTICE OF RECEIPT OF BALLOT TITLE AND EXPLANATORY STATEMENT

Notice is hereby given that a ballot title and explanatory statement for a measure has been filed with the Clerk of Washington County, on August 5, 2008, for inclusion in the November 4, 2008 Election.

The District is: Tualatin Hills Park & Recreation District

The Measure Number is: 34-156
The ballot title capiton is: Bonds to preserve natural areas, water, improve parks, create trails

An elector may file petition for review of this ballot filte and explan-atory statement in the Washington County Circuit Court no later than 500 p.m. on August 15, 2008.

TUALATIN HILLS PARK & RECREATION DISTRICT Measure 34-156

Caption: Bonds to preserve natural areas, water, imprové parks, create trails

Question: Shali Park District protect local natural areas and water quality; improve parks; create trails; issue \$100 million general obtigation bonds?

If the bonds are approved, they will be payable from taxes on prop-erry or property ownership that are not subject to the limits of sec-tions 11 and 11b, Article XI of the Oregon Constitution:

Summary. This measure directs Tualatin Hills Park & Recreation District to buy and restore natural areas for the protection of water quality and fish and wildlife habital, improve existing parks and teclifies and purchase and develon new parks. Proceeds would be used to purchase land for new trails and frail connections. It would establish a clitten oversign committee and require a yearly independent financial audit. Bonds would mature up to 21 years from date of issuance and could be issued in more than que series. Approval of the measure would provide funds for the District to:

Preserve local natural areas
Preserve and restore lands near creeks and streams for the protection of local water quality and fish and widdle habitat
Solud new trail connections and purchase land to creeke new local
trails
Improve existing local neighborhood and community parks, including sports fields and play equipment
Purchase and develop land for new local neighborhood and community parks
Improve existing local renovate certain existing local facilities, including safety and seismic structural upgrades
Create ADA improvements

\$100 Million General Obligation Bond Measure to Fund Protection of Local Natural Areas and Water Quality, Improve and Create Lo-cal Parks, and Create New Local Trails

With passage of the Bond Measure, voters would direct Tualatin Hills Park & Recreation District to protect local natural areas and lands near creeks and streams throughout the District, safeguard water quality and protect fish and whichige habitat. Approval of the measure would also allow the District to improve and create local neighborhood and community parks, and new local trails and trail connections.

The \$100 million general obligation bond measure would fund:

Natural area preservation through land acquisition and restoration work on wellands, woods, and greenways throughout the District.

Water quality protection through land acquisition and restoration work on wetlands, woods, and greenways throughout the District, protecting water quality and fish and wildlife habitat.

New linear park and trail development and land acquisition throughout the District.

New neighborhood and community park development fitroughout the District, including: land acquisition for new park sites, new play equipment, picnic areas, pathways, drinking fountains, benches, open grass areas, outdoor sport courts, and multipur-pose sports fields.

Existing neighborhood and community park renovation and redevelopment introughout the District, including relocation or replacement of play equipment. ADA-specific upgrades, renovation of existing picric and stellar greas, addition or relocation of pathways, renovation or addition of outdoor sport courts or multipurpose sports fields, renovation or outdoor sport courts or multipurpose sports fields, renovation or relocation of parking, and the addition of community garders.

-Multi-field/multi-purpose synthetic athletic-field and youth athletic field development throughout the District.

-Park facility replacements throughout the District, including play equipment, bridges and boardwalks, irrigation systems, pedes-trian pathways and trails, and permeable parking lots.

Existing facility safety and seismic structural upgrades to facilities throughout the District for the minigation of structural and seismic risks.

Existing facility expansion and improvements to the Eisle Stuhr Center for fitness room and parking expansion; the Conestoga Rec-reation and Adulatic Center for classroom, locker room, parking ex-pansion and five addition of a splash pad; the Aloha Swim Center, for the creation of ADA/family dressing rooms; and the HMT Rec-reation Complex for ADA/family dressing rooms in the aquatic center and HVAC improvements in the athletic center.

ADA/access improvements to the HMT Recreation Complex for parking and drop-off zones at the asualic and athletic centers, as well as park siles throughout the District.

Creation of outdoor splash pad at Cedar Hills Park.

Accurre land for a future community center in the southwest quad-rant of the District.

The creation of a citizen advisory committee and yearly independent entimatical audits.

If this Measure is approved the estimated additional cost to proper-ty owners would be an average of 37 cents per \$1,000 of assessed reduction per year over the life of the bonds. For the average homeowner, the additional monthly cost would be about \$5.86 per month.

RECREATION

Soon-to-be centenarian revels in his activity-packed life

Longevity | Bill Schultz says keeping busy and never losing interest really help

> BY JOE FITZGIBBON SPECIAL TO THE OREGONIAN

BEAVERTON — Bill Schultz has always plunged into life. As a teenager in the 1920s, he taught himself mountain climbing and skiing. He canoed and camped across Canada before vans and Jeeps made it convenient.

On his 50th wedding anniversary, he and his wife, Rose, bicycled the Northwest coast.

So it's no surprise that to celebrate his 100th birthday this week, Schultz will swim with friends at the Harman Swim Center in Beaverton, eat a little cake and ice cream, then drive his '68 Mustang home for a backyard barbecue with dozens of well-wishers.

"I'm asked all the time, what's the secret to long life?" he laughed. "I always say the same thing: 'Breathe in and breathe out.'"

The sprightly Schultz enjoys celebrity status at the aquatic center, where he swims three times a week with his good bud-

dent look about him," said Kennaugh, who has been lapswimming with Schultz for the past 15 years. "He still has those qualities, along with his happygo-lucky, easygoing nature."

Schultz was born Aug. 16, 1908, in Prosser, Wash., the year William Howard Taft was elected president, the first Model T Ford rolled off the assembly line, Mother's Day was observed for the first time, and Jack Johnson was crowned the first black world heavyweight boxing champion.

This weekend, he will join an exclusive club of about 84,000 centenarians, according to the 2007 U.S. Census. By 2040, the number of American men and weekend the century mark is expected to increase sevenfold to more than 580,000.

"I think that if people eat better and keep their sense of humor, they can all live longer," Schultz said.

Schultz spent much of his early adult life in Vancouver, then moved to Portland to work in the quality-control division of Continental Can Co. He met his schoolteacher wife in a downtown Portland ice cream parlor in 1938, and they were married for 63 years, until her death in 2001. Schultz still runs their three-acre farm in Southwest Portland, where he raises sheep and collects eggs from his hens to give away to friends at the swim center.

"I can't eat them all," he said with a laugh. "Besides, people seem to like them."

Schultz is also one of the senior members of the 90s Swim Club, an informal group of nenagenarians who splash and exercise in the warm pool waters each week. Their muscles may sag a little and they no longer knife through the water, but their laughter and banter echo

throughout the center like school kids on holiday.

"There's no dues or requirements except to have fun and meet other people," said Melinda Rohrbach, swim center receptionist who created a large bulletin board with members' photographs and favorite expressions. "People tell us all the time that they can't wait until they reach 90 and can have their picture up there, too."

Jim Morris, a retired physician and Schultz's neighbor, said he is amazed and inspired by his good friend's boundless energy.

"I've known him for 40 years, and he's always been an extraordinary man with a great attitude about life," Morris said. "He can fix anything, cooks his own meals and still mows his three acres."

Schultz has two adult children and three grandchildren. He still mourns the loss of his wife but remains philosophical about longevity.

"Tve met a lot of interesting people and been to lots of great places, and I think that's me going," he said. "Just ke busy and never losing interes, at what's out there can really help."

Park board asks voters to back \$100 million bond

The Tualatin Hills Park and Recreation District Board formally approved a resolution to place a \$100 million bond on the November ballot.

On Aug. 4, the board unanimously approved the measure, effectively sending the issue to voters in the Nov. 4 general election.

Cost of the measure is estimated at 37 cents per \$1,000 of assessed valuation or about \$70 annually for a \$190,000 home.

The bond will pay for new parks, installing two new synthetic fields, creating open space, updating facilities and other recreational opportunities.

Telephone surveys conduct-

On the Web

Formore details on the park district band including a map of proposed projects, visit www.figad.org.

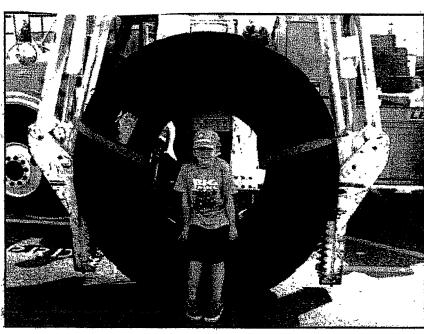

ed in both January and June showed support for the bond measure.

Although polls showed that support for the bond measure dipped if a multi-use recreation/aquatic center was added to the package, the board hopes to spend \$5 million to purchase land in the southwest quadrant of Beaverton that could be used in the future to site such a facility.

A detailed account of specific projects can be viewed at the district's Web site at www.thprd.org.

In other action, the board approved a system development charge fee/credit project for Central Bethany Development's West Parc property at Bethany Village to provide trail improvements of a north-south section of the Waterhouse Community Trial.

The proposed trail connections through the site would consist of paved sections, a bridge and boardwalk crossings. That would complete a gap between two existing park district trail sections on either end of the project.

personal with some really big rigs — along with a lot of other tun activities — on Saturday, Aug 16, 10 a.m. to 2 p.m. at Conestoga Recreation & Aquatic Center, 9985 S.W. 125th Ave., Beaverton, The event is free.

8TH ANNUAL BUG FEST — Tualatin Hills Nature Park Interpretive Center, 15655 S.W. Millikan Way, Beaverton,

Aug. 23, noon to 4 p.m. Cost: \$2, kids age 2 and under are free. Bug Fest combines interactive discovery stations, craft tables and games with a range of activities that will help attendees experience these boneless/spineless creatures that make the world go round. Information at 503-629-6350.

Park district encourages kids to bug out Aug. 23

Tualatin Hills Park and Recreation District will host its Eighth Annual Bug Fest on Aug. 23.

The event runs from noon to 4 p.m. at Tualatin Hills Nature Park Interpretive Center, 156555 S.W. Millikan Way.

Admission is \$2 per person with children ages 2 and

younger free.

Bugfest is a celebration of invertebrates, examining the important roles they play in the environment in an event that's co-sponsored by Metro.

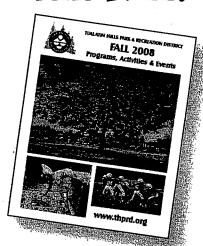

Bug-related games, displays, crafts, live bugs, carnivorous plants and guided activities will be included. This year's bug lab will focus on arachnids. Greta Binford, a local spider expert from Lewis & Clark College, will answer questions on spiders and debunk common spider myths.

There will be a bug identification station on hand where an expert will identify bugs students bring from home.

HIGHLIGHTS

WHAT'S AHEAD

SOCCER IN **BEAVERTON:** The defending national champion USC Trojans and powerful **UCLA Bruins will be** playing two matches in Beaverton against the Division I Portland State Vikings women's soccer team. Viking head coach Laura Schott, a Jesuit High graduate who also coaches club soccer at Tualatin Hills United Soccer Club, and her Vikings will host USC at 7 p.m. Saturday on the main field at Tualatin Hills Park & **Recreation Center** (15770 S.W. Walker Road), and will host UCLA at 1 p.m. Monday on the PCC **Rock Creek campus** (17705 N.W. Springville Road): Admission to both events is free. The Vikings will also play seven additional home games at the two venues. See www.goviks.com for dates and times.

BRIEFS

Beaverton parade seeks volunteers

Beaverton's Celebration Parade returns Saturday, Sept. 13.

at 10 a.m. and is in need of volunteers.

Volunteers can help in a variety of ways from serving as location and information guides to banner carriers, judges or as parade marshals.

Parade organizers are asking folks to let them know what they would like to do by completing and returning a volunteer form. When volunteers arrive at the staging area on Sept. 13. their duties will be explained.

The parade will assemble at the Beaverton Christian Church on Allen Boulevard and Wilson Parade entries will march along a two-mile route starting on Allen and disbanding at Broadway and Lombard in downtown Beaventon.

For more information or a volunteer form, contact Leslie Mundt at Umundt@thprd.com or call 503-629-6330.

Fall registration nears for park district

Registration for the Toalatin Hills Park and Recreation. District's fall classes and programs will be open to district residents beginning Saturday morning, Sept. 6, and continuing

through Sept. 12.
Class registration instructions and forms are in the Fall-2008 Activities Guide, which is also available at any park district facility or online at www.thpid.org. Classes and programs are filled on a first-come, first-served basis.

Park district residents can phone in their registration from 8 a.m. to 6 p.m. on Sept. 6 by calling 503-439-9400. Phone registration will continue Sept. 7 from noon to 4 p.m. and Sept. 8 to 12 from 8:30 a.m. to 6 p.m.

All residents registering by phone must have class information handy, along with credit card or debit information and a valid THPRD Residency Card. Residents can register only for their own immediate family. Those with questions in advance should call 503-645-6433.

Online registration for district residents begins Sept. 6 at 10 a.m. Users must first establish an online account. They should go to www.thprd.org/activities to get started.

Walk-in registration will be available at all THPRD facili-

ties beginning Sept, 8 at 8:30 a.m..

For residents living outside the park district, registration will begin Sept. 12 at 8:30 a.m. Those who have paid an assessment fee (\$52 quarterly or \$208 annually) may register by phone, fax, Internet, mail or walk-in starting that day.

For more information, visit www.thprd.org or call 503-645-

6433.

AHillsboro

Registration for Tualatin Hills Park District's fall classes and programs begins Sept. 6

Tuesday, September 02, 2008

The Hillsboro Argus

Registration for the Tualatin Hills Park and Recreation District's fall classes and programs will be open to district residents beginning Saturday morning, Sept. 6, and continuing through Sept. 12.

THPRD recently mailed its Fall 2008 Activities Guide to all district residents. Class registration instructions and forms are in the guide, which is also available at any THPRD facility or online at www.thprd.org/pdfs /brochures/Fall2008THPRD.pdf.

Classes and programs are filled on a first-come, first-served basis. Many of them are in high demand, so patrons are encouraged to plan accordingly.

Park district residents can phone in their registration from 8 a.m. to 6 p.m. on Sept. 6. The number to call is 503-439-9400. Phone registration will continue Sept. 7 (Sunday) from noon to 4 p.m. and Sept. 8-12 from 8:30 a.m. to 6 p.m.

THPRD will again offer, on a limited basis, Spanish language assistance during phone-in registration for classes and programs. The service, which was first introduced last spring, will be available Sept. 6 and 7.

All residents registering by phone must have class information ready, along with credit card or debit information (Visa, MasterCard, Discover or THPRD Gift Card) and a valid THPRD Residency Card. Residents can register only for their own immediate family. Those with questions in advance should call 503-645-6433.

Online registration for district residents starts Sept. 6 at 10 a.m. Users must first establish an online account. They should go to www.thprd.org/activities to get started. Walk-in registration will be available at all THPRD facilities beginning Sept. 8 at 8:30 a.m.. Registration by fax, to 503/629-6302, also begins Sept. 8, as does processing of mail-in requests.

For residents living outside the Tualatin Hills district, registration will begin Sept. 12 at 8:30 a.m. Those who have paid an assessment fee (\$52 quarterly or \$208 annually) may register by phone, fax, Internet, mail or walk-in starting that day.

Formed in 1955, THPRD is the largest special park district in Oregon, spanning about 50 square miles and serving more than 200,000 residents in the greater Beaverton area. The district provides year-round recreational and educational opportunities for people of all ages. Offerings include a broad range of classes and more than 200 park sites, 40 miles of trails, eight swim centers, six recreation centers, and about 1,100 acres of nature preserve. For more information, visit www.thprd.org or call 503/645-6433.

@2008 Hillsboro Argus

By LEAH WEISSMAN Of Times Newspapers

days are getting shorter, kids are back in school and every retail store in Oregon is holding a block party summer sale where "Everything must go!" mmer is over, right? Wrong. Don't trade in your sun-

tan lotion for a down coat yet. Summer is not officially over for another few weeks — Sunday, Sept. 21, to be exact. And something called a "weekend" gives people two full days a week to squeeze the last outdoor fun and sunshine out of

Before you start to gramble and complain that you finally got the but imprint in your couch just right and the new season of "Dancing With The Sturs" is on, let me remind you that life is made up of experiences - not celebrities trying to tango for a trophy.

The Pacific Northwest is a natural theme park

with its winding rivers, forests, trails and wildlife. And Washington County is no exception.

Residents from Beaverton to Tualatin, Tigard and Sherwood don't need to travel farther the own back yard to experience the adrenaline rush of biking down a 45-degree dirt slope on Bull

of biting down a 43-degree duri stope on Bull Mountain or enjoy the lazy screnity of fishing in a cance on Higg Lake.

So instead of dropping into your fall routine of watching the leaves change color through your window, take advantage of the last days of summer. You'll miss them when you're walking 5 miles in the snow, uphill, without shoes, to work every day in the winter.

Take a bike ride

Road biking is a great way to get some exer cise while enjoying an up-close and personal look at your community. Rarely can you stop for a paper cup of 10-cent lemonade when driving your car or truly enjoy the twists and turns of a paved road as it meanders to the same tune of a river.

Between Beaverton, Sherwood, Tigard and Tualatin, there are more than 50 miles of multiuse trails, and miles upon miles of roads with designated bike lanes. If you don't know which path or paved street to hit first, here are some local

favorites:

Fanno Creek Trail: This paved, multi-use trail winds through forests, wetlands and parks, with ample opportunity for bird watching. About 90 percent flat, the path is perfect for beginners, children or residents looking for a joyride rather than a chance to sweat. The trail is split in several sections, requiring bikers to access public road-

ways in between the bike paths. Including public streets, the Fanno Creek Trail is about civil miles roundtrip. Bikers can access the trail in several locations, including Vista Brook Park, Fanno Creek Park, Garden Home Recreation Center and the Fanno Farmhous

Cook Park: This 79-acre park in Tigard offers a network of more than 3 miles of paved and dirt trails for bicycle enthusiasts. The Ki-a-Kins Bike and Pedestrian Bridge gives you a beautiful view of the Tualetin River as you ride over water and fish from Cook Park to Tualatin Community Park. To access the bridge, start at the butterfly garden pathway at the eastern end of the parking area and continue to a concrete path-way that parallels the Tualatin River. After passing under a train trestle, the bridge is up a hill to the

■ Tuniatin Hills Park and Recreation District: Known for its beauty, this popular park district has a 35-mile network of urban trails that take bicyclists through meadows, wetlands, woods and along streams. For more information on trails in the Tuniatin Hills Park and Recreation District. visit www.thprd.org/parks/trails/index.cfm.

Paddle a canoe

What can be more relaxing than canoeing or knyaking, with the "splunk splunk" sound of oars dipping into the water while the craft slowly glides along the surface?

Getting bored? Fine, we can add adventure Take the watercraft out of the lake and place it in a river. Now you're avoiding tocks, fallen logs and guiding the canoe or kayak through mild rapids. Thanks to Washington County's waterways, you can have both.

■ Tualatin River: From river milepost 40 to milepost 3, almost the entire bottom half of the Tualatin River is a canonist or kayaker's pandise with wildlife, lazy-moving water and some rocky

rapids. There are numerous places to launch, including: Willamette Park, river milepost

Rood Bridge Park, river milepost 38,4

Heary Hage Lake: This approximately

1,100-acre, man-made lake near Forest Grove is open to motorized and man-powered boats. For those who don't enjoy getting rocked by speeding motorboats, it's good to know the north half of the lake is dedicated solely to non-motorized watercrafts. (There are also about 15 miles of dirt biking and hiking traits surrounding the take for who need a break from the water.)

If you don't own a cance or kayak, Aider Creek Kayak & Cance, Sportcraft Marina and loe's rent both during the summer.

Take a hike

Walking — what a novel idea. You could do it on a treadmill, or you could stroll through the hundreds of parks in Washington County.

The Tualatin Hills Park and Recreation District contains more than 200 parks in and around Beaverton, and the cities of Tigard and Tualatin boast more than 20 parks and about 500 acres of greenways, trails and open space. To walk all that would take years. So what are you waiting for? For lists and maps of parks in Washington

County, please visit: Tualatin: www.ci.tualatin.or.us/depart-

ments/communityservices/parks. ■ Tleard:

ww.ci.tigard.or.us/community/parks/default.asp.

Beaverton: www.thprd.org/parks/index.cfin.

Go fishing

The fight, the catch, the dinner: Fishing isn't just a sport, it's an art form. Plus, if you're locky or skilled in your craft, you get a meal out of it.

Fresh-water fishing gives you the opportunity to fish on land, off a dock or in a boat. And Washington County residents know fresh-water
